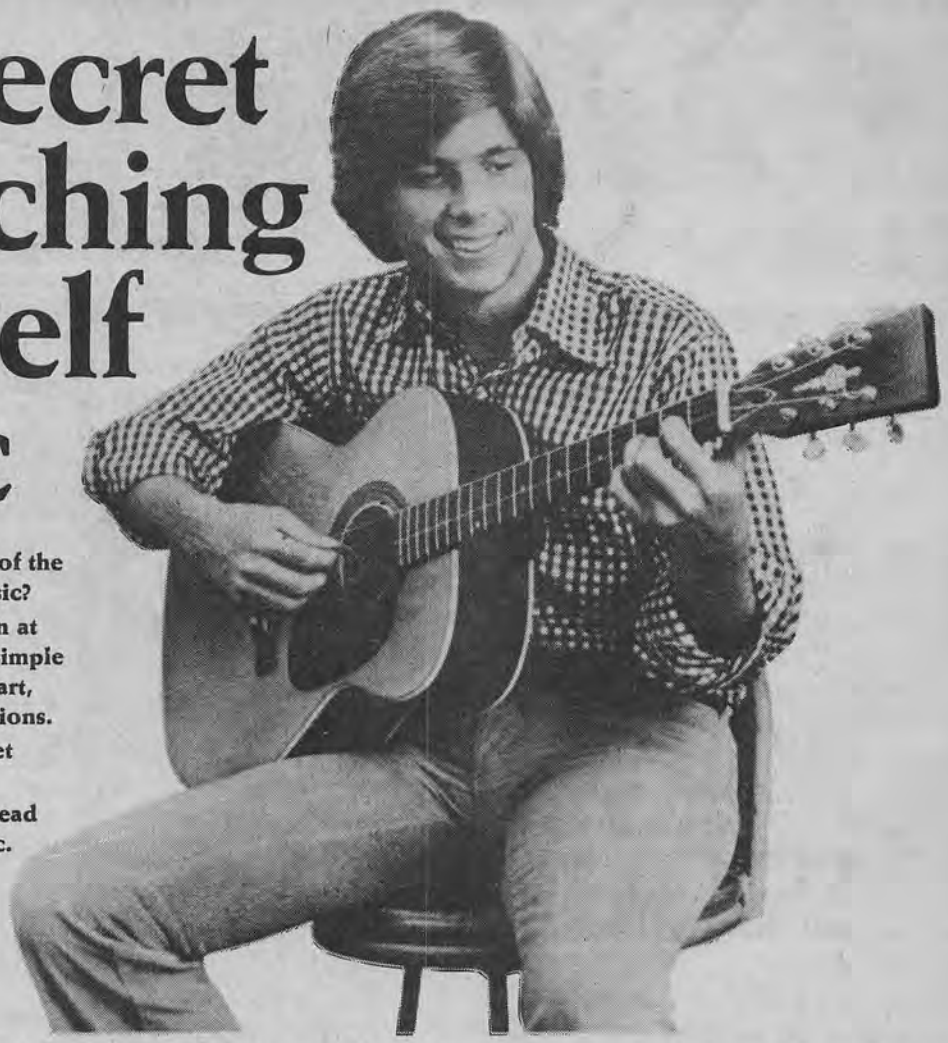
# The secret of teaching yourself music



**Why keep depriving yourself of the thrill of making your own music?**

**Here's a pleasant way to learn at home in spare time. You play simple familiar tunes right from the start, then more advanced compositions.**

**Choose piano, guitar or spinet organ.**

**No gimmicks—you learn to read notes, play regular sheet music.**

**It really works! Thousands now play who never could.**

It may seem odd at first – the idea of teaching yourself music. You might think you need a private teacher at $4 to $10 per hour to stand beside you and explain everything you should do – and to tell you when you've made a mistake.

But surprising as it seems, you need no such thing. Thousands of people just like you have taught themselves to play with the U.S. School of Music courses. By mail. And you can too.

With our lessons, you learn to play the right way – by note from regular sheet music. Without any gadgetry or gimmickry. And all it costs you is just pennies a day.

You don't need any previous musical training. Our lessons start you off "from scratch" with clear word-and-picture instructions. A lot of the songs you practice first are simple tunes you've heard many times. And since you already know how these tunes are supposed to sound, you can tell immediately when you've "got them right."

Then you go on to more advanced pieces. By this time you can tell if your notes and timing are right, even without ever having heard the songs before. Sooner than you might think possible, you'll be able to play whatever kind of music you like. Folk. Popular. Classical. Show and dance tunes. Hymns.

You learn in your spare time, in the privacy and comfort of your own home. There's no one standing over you to make you nervous. And because you teach yourself, you can set your own pace. You're free to spend as much time mastering any lesson as you wish.

How effective are the lessons? Ask Jeffrey Livingston of York, Pa. "I thought the organ course was excellent," he writes. "I knew almost nothing about playing an instrument before I enrolled. Now I can play not only the organ, but the piano too. My new music ability has enabled me to play at churches and small conventions. I am even considering making music my career."

And, Cecelia Feeney of Vineland, N.J. reports: "It's like a dream come true. Knowing how to play and read music has given me new self-confidence."

If you've ever dreamed of being able to play the piano, the guitar, or the spinet organ, why not learn more about our convenient, economical way to learn? Send for our free booklet *Be Your Own Music Teacher*. With it we'll include a free "Note-Finder." There's no obligation. Just mail the coupon to the U.S. SCHOOL OF MUSIC, A Home Study School Since 1898, 417 South Dearborn Street, Chicago, Illinois 60605.

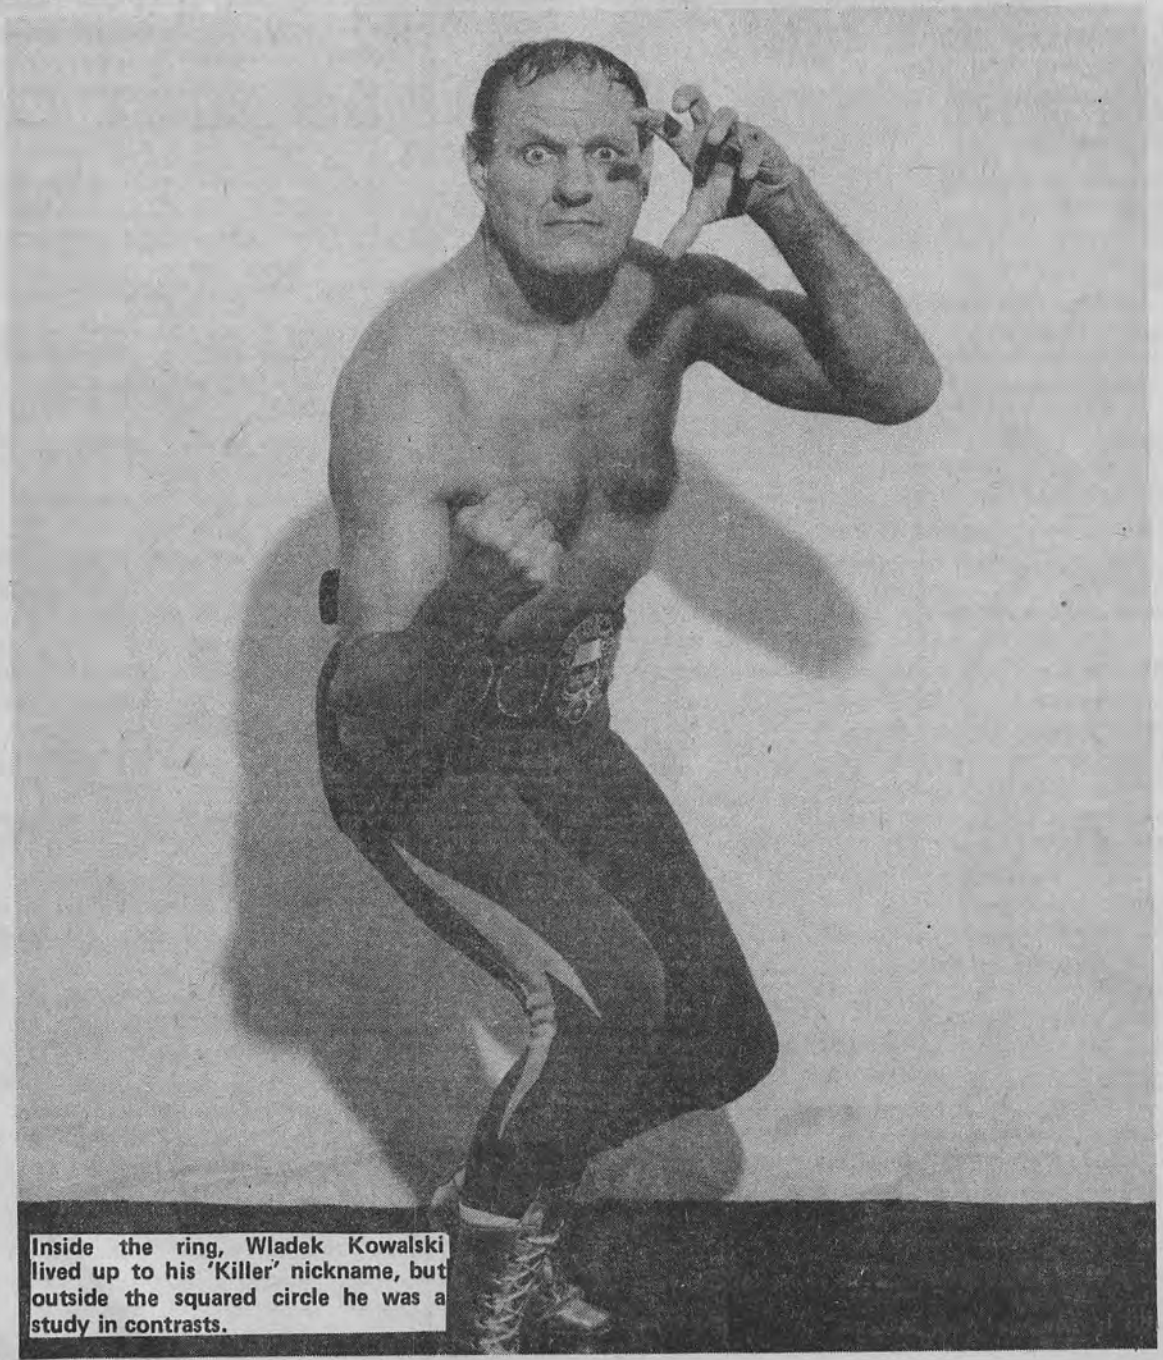
# A FOND FAREWELL TO A "KILLER"

by DAN ROSENBURG



Inside the ring, Wladek Kowalski lived up to his 'Killer' nickname, but outside the squared circle he was a study in contrasts.

Kowalski was always one to take advantage of an opponent and here he puts his worst foot forward as tag-team partner Maurice (Mad Dog) Vachon has their opponent helpless.

*We may have seen the last of Wladek (Killer) Kowalski.*

*Now, if you're the average wrestling fan, you may be clapping your hands right now and shouting "Hooray."*

*But for those who truly know the game, a tear will be shed at the news that Kowalski, who is 42 going on 55, is hanging up his wrestling tights – evidently for good.*

Kowalski in his prime was an artist. To the untrained eye, he to be sure resembled a hired assassin out to make mincemeat of the opposition. Sometimes, as in the celebrated Yukon Eric case, he succeeded.

To refresh the memory, the 1953 incident which perhaps did the most to embellish Kowalski's reputation as a true "killer", happened this way: with Eric lying near-unconscious on the mat, Kowalski mounted the top rope as is his wont and style. He was about to administer the knee drop, which ranks with the claw hold as Kowalski's most punishing manoeuvre. With Eric still not moving, Kowalski descended upon him from the top rope with all his might and main. Eric flinched slightly in an effort to escape the attack, and Kowalski caught his opponent's ear with his foot, tearing the ear off.

Eric was rushed to the hospital and was hors de combat before finally returning to the ring to pursue his career with only one ear.

An accident? Perhaps. But for those who look upon Kowalski as an unfeeling, brutal type of animal, consider the account by eye-witnesses that one of the first people to rush to Eric's bedside was a lean, gaunt giant of a fellow who looked a lot like Kowalski. Eric's chapter ended when, unlucky in love, he eventually died in an apparent suicide at his home in Fairbanks, Alaska.

One of the first interviews to which Kowalski ever succumbed was to a green Montreal sportswriter who was still wet behind the ears, back in 1954. The piece, by Red Fisher, who is now The Montreal Star's sports editor, said volumes about the warm personal aspect of Kowalski's character, a side previously unexplored and unknown. Nobody dared get close enough.

Wrote Fisher: "He speaks rapidly, with just the barest trace of an accent (Polish) and with a warmth and understanding that is bred from the type of character he never shows to the public — a man deeply influenced by the religious training he received as a youth, and one with a definite set of ideas of how a human being should shape his life. He has a deep affection for the so-called finer things in life: good music, travel and comfortable surroundings. And for all these things that his profession has enabled him to enjoy, he's honestly and humbly grateful."

Frankly, folks, does that sound like Kowalski has the killer instinct?

Little do most fans realize that Kowalski at 14 was considered too sickly to participate in school sports.

"When I was a kid around Windsor, Ont., the doctors refused to even let me try out for the swimming or basketball teams," he recalls. " 'Walter,' they said, 'you've got to take it easy. You've got a weak heart, and we can't be responsible for anything that might happen to you.

"I don't know, maybe it's because I grew so fast, or something. But one thing was sure. I wasn't going to sit around while all the other kids played, so I started training lightly at the local YMCA. I tried a bit of weightlifting, wrestling and a few other sports and I might say that despite the advice of doctors, my mother fully approved of my training. 'If you feel like doing it, go ahead,' she would say. So I just kept right on training, and when I enlisted in the army — whoosh! I went right through my medical without a bit of trouble. I guess the most surprised guy in Windsor was my doctor."

Fisher's description of Kowalski still holds true 23 years later: "He startles a person when he enters a room, this behemoth of a man who dipped his head slightly as he passed through the doorway. But there was no mistaking the broad hollowed cheeks fusing into a pointed jaw, the awesome shoulders sloping down to a wasp-like waist and the heavy-sure strides. He is cheerfully vilified by several million wrestling fans in the United States and Canada; a man everybody knows — and nobody knows."

Kowalski entered the pro wrestling game in 1951 where he was taken under the wing of St. Louis wrestling promoter Sam Mutchnick. "Through him I was able to come up fast,"

Kowalski recalls. "I graduated into main events and when Eddie Quinn (the late promoter) called St. Louis for some fresh talent, Sam sent me along."

And now, 27 years, thousands of opponents and millions of miles later, the road has ended.

"The way I look at it," explains wrestling's answer to Gordie Howe, "I want to get out of the business in one piece. Believe me, you can get hurt in there and all that travelling is murder."

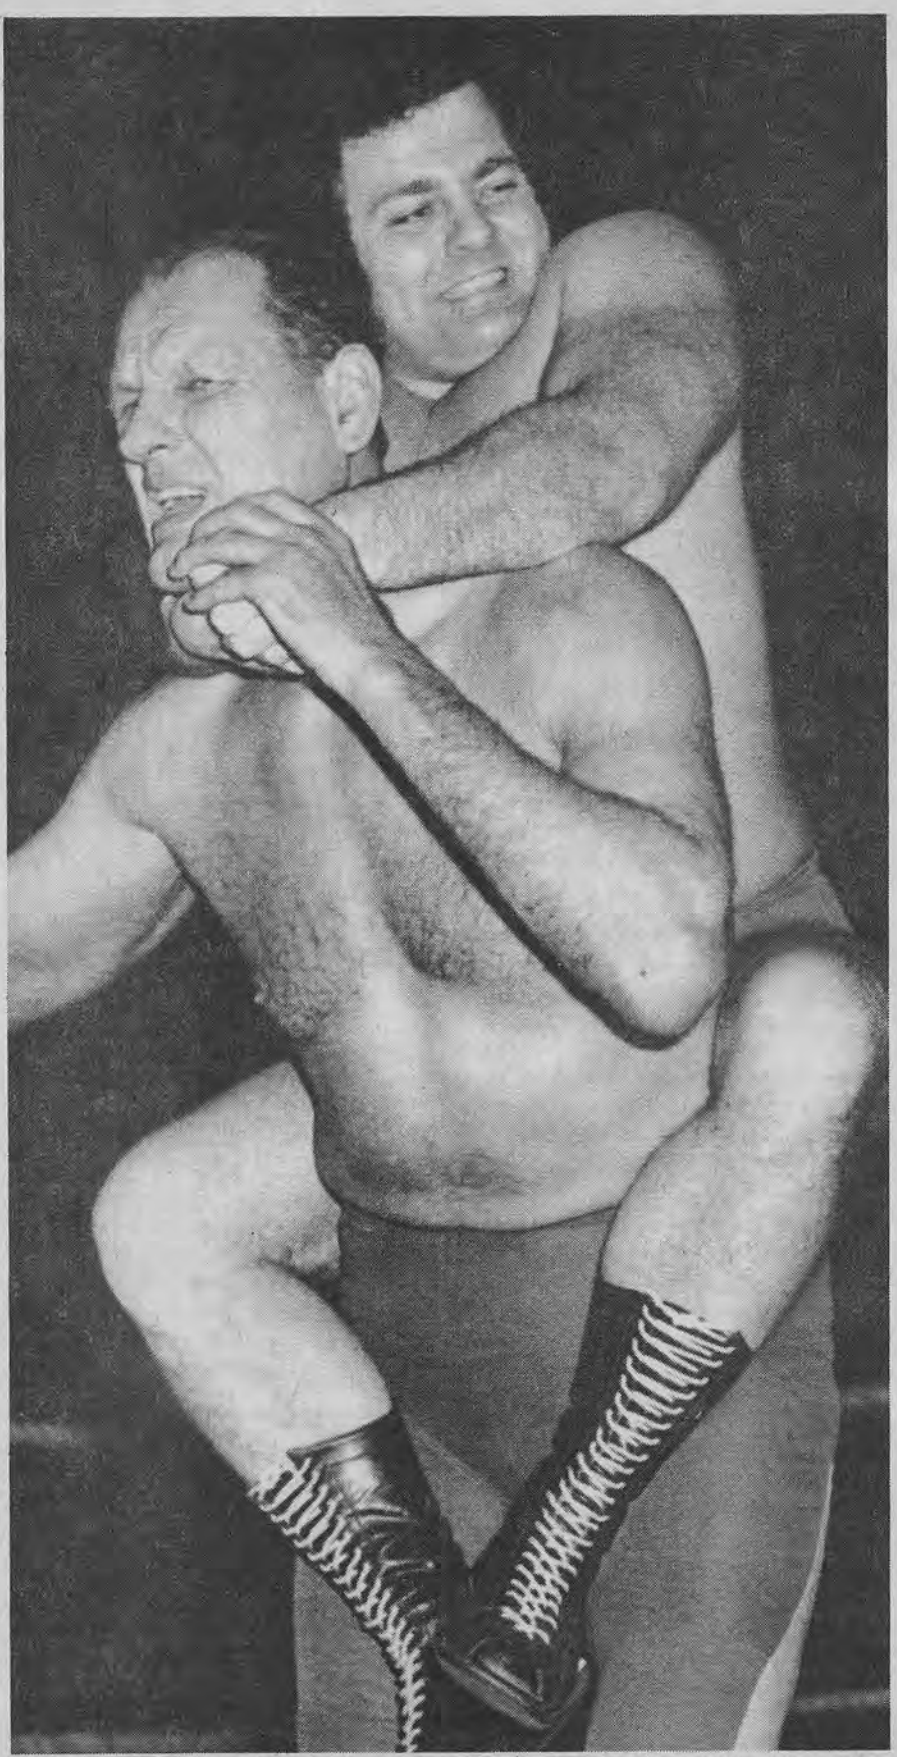
So how did Kowalski pass the time on planes, trains and in automobiles? "I'll tell you what a guy does on the road if his name is Kowalski. He flips on a tape recorder in his car and listens to everything from poety to prose to popular classics and religion." His favorite is a 23 1/2-hour recording of the New Testiment.

"I've played it over and over again, and the more I play it, the more I learn," he says. "It's terrific. You can't imagine how terrific it is."

This is the beast who has been attacked by lynch mobs for his apparent "dirty" tactics in the ring and has been slapped with countless lawsuits for striking back at overly aggressive fans?

At six-foot-seven and 266 pounds, it is hard to envision Kowalski as a pussycat. But that's how he comes across when he's not plying his trade in the ring.

Once, in 1973, he was even the subject of an essay by Montreal Star music critic Eric McLean. "Kowalski's secret is that he loves music," wrote McLean. "If he is working out of his home base, he is likely to return to his apartment after a match and slip a recording of a Mozart quartet onto his super SAE quadrophonic equipment. When he is on the road (he drives up to 60,000 miles in one season) his Lincoln Continental is stocked up with cassettes of Schubert symphonies, Beethoven quartets, or perhaps some Sibelius, which he plays through his special stereo setup. It is not really a secret," continued McLean. "Kowalski has never tried to hide his interest in music and electronics, but most sportswriters are not likely to



Gino Brito is riding high as he gets a piggyback ride from 'Killer' Kowalski, who isn't enjoying the experience.

# 3 men...3 different goals... they all got there with Duraclean!

## READ THEIR OWN TRUE STORIES

*by John Ross*

"I wanted a part-time business that took only a small investment . . . something I could do myself . . . with a quality product in great demand . . . no decrease in hard times, and with a good profit. I found it all with Duraclean. I'm just sorry I didn't find it 25 years ago.

"I've been in many businesses, and I paid to learn! They all involved a large investment . . . an oil field drilling rig, a fast-food franchise, a large restaurant. Even though I could make good money, the equipment was worn out by the time it was paid for. Besides, you practically worked yourself to death. Nothing I've had will compare with Duraclean.

"With Duraclean, you don't need a big stock inventory. You get all your money in a short time, usually when the job is done. You can work as much or as little as you want.

"It's exactly what I've wanted. At 55, I have a full-time job and flexible hours at a major airline. My wife and I use our flying privileges with the airlines to go to places like Europe, Australia, or Puerto Rico. We couldn't afford them without Duraclean.

"I've been with Duraclean for seven years, and haven't had to look for new customers for the last 5 years. My customers spread the word about the Duraclean process that is safe to use on finest carpeting and furniture. That brought me my biggest job, the Hilton Inn at Atlanta Airport. Took 200 hours and paid me $4,290. Yes, Duraclean has made many good things possible for us. I can't think of anything we want that is beyond our reach."

*by Bob Greenwalt*

"For me, success began at age 40! At the end of 22 years as a career Army Sergeant Major, I wasn't ready to retire. My retirement pay wouldn't take care of what I wanted in life.

"I had to give serious thought to my future. With no business experience, it wouldn't be easy. But my luck held. I clipped a coupon in a Duraclean ad, learned how I'd have all their help in building a business of my own with their successful 43 years of experience.

"It took me just one week in their remarkable training school to learn all about the 7 superior services for cleaning and care of carpeting and furniture plus their proven program for starting and building a business of my own. I didn't have to guess or take any chances. I followed the system that worked so well for Duraclean dealers all over the world, and it sure worked for me!

"My first year, my business hit the five figure volume. The second year, way ahead of that. I've taken in as much as $285 in a single day, my best week was around $900. I have business coming in from all around now — one of Chicago's biggest home furnishing stores recommends me to their customers, I have servicemen working for me and make a good profit on each. Duraclean pays for the equipment for each new man I add.

"I couldn't have found a new career as enjoyable, exciting, profitable and fast-growing as this. My business grows larger each year with the cooperation and backing of the fine people at Duraclean."

*by Ron Bonomo*

"With a wife and six children to raise, I had to look to more than my factory job to make ends meet. I never knew when there'd be another layoff. I'm just lucky that my moonlighting work was for a Duraclean dealer. I learned about the Duraclean services and saw what a gold mine this business could be.

"Then the big blow — layoff for the entire factory. My wife Jackie and I had to really make plans. We decided to try for a full time Duraclean dealership of our own.

"We borrowed the money — not much, but we didn't have it, living from payday to payday. And we both went to work, Jackie as my office manager, handling phone calls, appointments and keeping books. We both went to Duraclean's training school. The knowledge and sales aids we gained were invaluable, since we had no business experience. I can really thank the Duraclean headquarters people. They give you thorough training and if you follow instructions, you have no problem getting business coming to you. With the backing they give you, you'd have to be lazy or mighty dumb to fail.

"Six months after I started, I was taking in $1,000 a month, and business was growing. Our gentle, quick-drying cleaning brought me a lot of motel work, plus referrals from customers and retail stores. Two years later, we bought a 5-bedroom home, with an office and swimming pool. In six years, I bought into a 35-unit apartment complex. It's a happier, more prosperous life now, with Duraclean!"

Wladek Kowalski's taste in music would surprise many wrestling fans as 'Killer' is a classical enthusiast.

make more than a passing reference to a love for the arts."

"If you're a professional wrestler, people don't imagine you might be interested in such things," said Kowalski. "They look at you. They say: 'What is he — a dummy or something?' People would expect me to be interested in some kind of wild, bombastic rock-type music because of my temperament — the way they see me in the ring. But when I get out of there I try to relax completely. It's amazing how few of the people I meet appreciate the classical, the ravishing, type of music. They say, 'Oh, that puts me to sleep.' Well, that's exactly the point. Not that it puts you to sleep, but how soothing its effect is. So relaxing. And there's a need to be relaxed and conserve energy. If you're an excitable type of person and you can't relax, you're just shortening your life — you'll be continually exhausted. Your sleep won't be relaxing."

Aren't beautiful music and wrestling violence somewhat incompatible? "If I just sat around listening to music all day, I would get so bored, I wouldn't know what to do with myself," Kowalski explained.

But was it worth the broken collar bone, cracked ribs, separated shoulders and myriad other injuries he suffered in his 27-year career? "I wrestled as long as I did because I had nothing to do with my time," he replied. "But mostly I lived for the day when I could give it up. If I could have got something that would have paid me the same, I'd have given it up long ago."

During his career Kowalski made four trips to Japan, five to Australia and even toured South Africa. This is not to mention all the tires he wore out in North America.

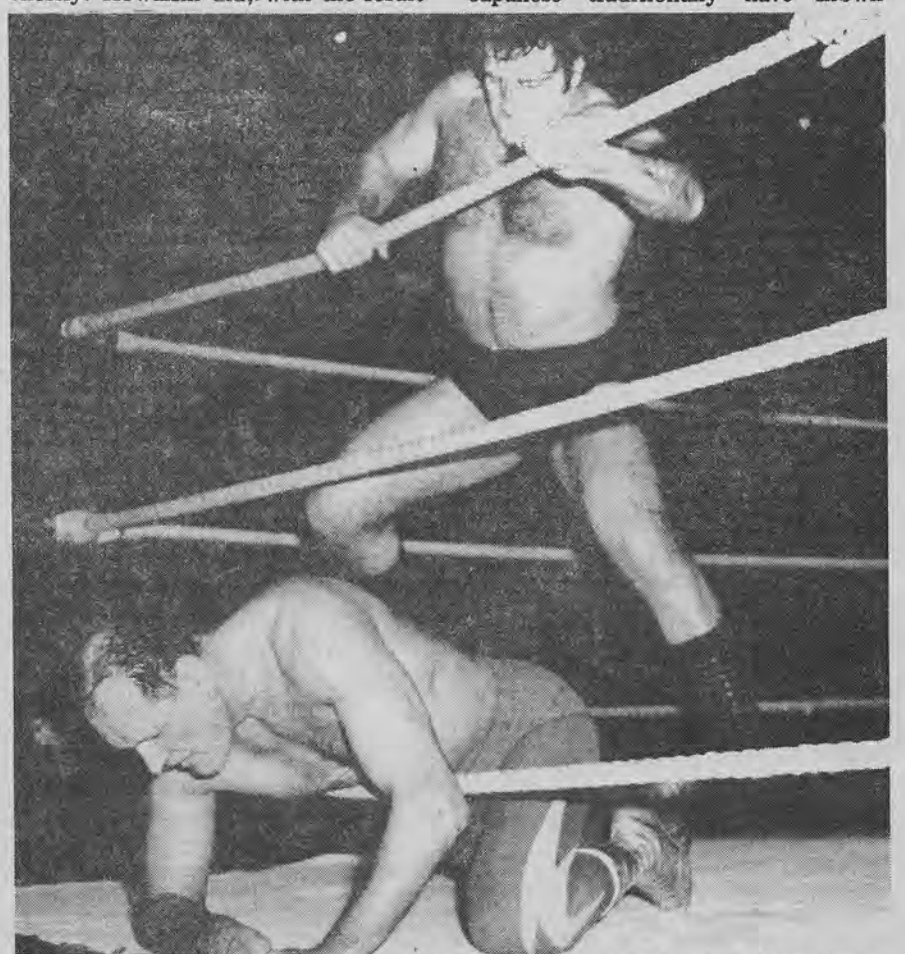
Although Kowalski has his most pleasant memories of Japan, he grins at the recollection of an incident in Sydney, Australia, that occurred 10 years ago.

Don Lane, a television show master of ceremonies, asked Kowalski to demonstrate his claw hold, which consists of seizing a handful of the sensitive belly flesh and twisting it mercilessly. Kowalski did, with the result that Lane went sailing across the studio and landed on the floor badly winded.

"What the hell have you got the cameras on me for?" gasped Lane as he was helped out of the studio clutching his stomach. Kowalski walked out, leaving Lane recovering on a couch. Lane did not reappear to close the show. After that, the Australian government banned professional wrestlers from appearing on the tube for quite a while.

Kowalski's enthusiasm for Japan is boundless, not only because of the ingenuity and imagination they devote to the field of electronics, but because of the type of people the Japanese are.

"They're the most honest and honorable people in the world," he praises. "Beautiful people! I even left a wallet in my hotel room inadvertently. They wouldn't touch it. They dusted around it until I returned." Perhaps part of the reason is that the Japanese traditionally have shown



Bruno Sammartino has Kowalski on the ropes here and is about to take advantage of the situation.

# HOW MY WIFE AND I TEAMED UP TO BECOME MILLIONAIRES IN FIVE YEARS

**WITH AN EIGHTH GRADE EDUCATION AND $500.00 BORROWED MONEY, I RETIRED IN LESS THAN FIVE YEARS WITH A WEALTH OF OVER A MILLION DOLLARS.**

In my system that I'll send you on certain good deals that you bring me. I'll be your partner, guide you and offer financial assistance. For instance, some of you may be short of capital to undertake that big deal. I'll come in with you. Yes. I'll use my own money and financial backing to help you handle that really good deal using my system, if the deal is right. We can then be assured of a profit. I intend to operate on a nationwide basis, so location will not be a problem. I'll be interested in considering real estate throughout the country.

**HOW DID WE START – IT WAS EASY.**

I am quite certain that with my education and background I am not smarter than you and yet it was so easy. In fact I couldn't believe how easy it was. Let me start at the beginning of our success story.

In 1967 at the age of 38 on two hundred dollars per week selling appliances. I was struggling to provide for a family of six. Just trying to pay the bills and surving was a struggle. Needless to say I was heavily in debt.

**WE DISCOVERED OUR METHOD**

We found our key to success and security in the real estate business -- a system that my wife Dianne and I perfected. After using this method for six months, Dianne, working alone, had earned more than $68,000. It was then that I left my appliance sales job and joined Dianne. We worked fulltime to develop our new career in real estate. We knew that this newfound success would work time and time again.

**WERE WE SUCCESSFUL – YES**

After applying our method, in only five years time we were able to semi-retire.By 1972, we had a cash flow of over $100,000 a year from our successful system. We bought a beautiful new home in a prestigious suburb of Houston that's close to our 345-acre ranch where we raise registered cattle and quarter-horses.

We also found that we could operate our business venture in our spare time, without a real estate license, and in our home.

**TWO OF OUR DEALS**

Here are two examples of how well our system worked for us:

In 1968, using the same method, we put up a $1,000 deposit on a real estate investment. We had 120 days to finalize the transaction. In only 45 days, we sold it, earning a profit of $98,000. We had made 98 times the $1,000 we had initially invested in earnest money.

In 1972, using the same system, we put up a $5,000 deposit on an investment opportunity. We sold our contract almost immediately for $380,000 profit, with a capital gain. (We have the closing statements to back our figures.)

**OUR METHOD IS SIMPLE**

It can be used by anyone, anywhere, whether you are single or married. Our system is real, it is workable, and it will work for you. What is our system? It is a unique discovery of how to buy real estate properties below wholesale, income property, raw land, subdivisions, acreage, home sites, or that week-end retreat. Yes, I can show and direct you how to locate the type of real estate properties that you are interested in buying. Buy with as little as $100 down, and at bargain prices so that you can immediately turn the purchase into ready cash. Sounds too good to be true. I guarantee that you or anyone following our system can make a financial success. Maybe you won't make a million dollars, but you can certainly improve your financial condition. Double or even triple it, in a matter of only a few short months.

**NATIONWIDE SYSTEM**

Our method is now nationwide. We are getting letters, telephone calls daily. A California man wrote, "Jim, I bought 15-16 different books on how to make money, as far as I am concerned the author is the only one that made money. Your method is great. It is simple. It is working for my wife and I. You may use our name in your ad if you so desire."

As our success grew from word of mouth to a front page editorial on the business section of the Houston Post, I was beseiged by friends who wanted to know how they could duplicate my success.

I directed a doctor friend and his group on two sales using our system. Their gross profit was $20,000 on the first transaction and over $100,000 on the second. Their total money investment was under $2,500.00 for both transactions!

**YOU AND I BOTH WILL PROFIT**

You are probably asking why I am willing to share my secret of success with you. It is physically impossible for any person to investigate and follow up on all of the land opportunities and investments which I describe in my book. These opportunities exist in every town, city, county and state in America. The fact is that I have found a method which assures success. You can become my partner by following this system. The end result: we both profit and make money.

DIANNE STEPHENSON, HOUSEWIFE AND MOTHER, MADE $68,000.00 IN HER FIRST SIX MONTHS

**YOUR FINANCIAL SECURITY**

**By using my method you will be surprised how easy it is to make money, and be financially secure.**

**Here are a few things that my system will tell you.**

1. **Buy income property at half price.**
2. **Buy land or acreage at fifty cents on the dollar.**
3. **Begin without cash.**
4. **How to sell your earnest money contract.**
5. **Be self employed and your own boss in six months or less.**
6. **Immediate capital gain.**
7. **I'll be your partner.**

When you send a check for $10.00 you will receive our entire system. I guarantee that you will be completely satisfied. If for any reason you should change your mind, let me know and I will send back your $10.00. No questions, no hassle – just the refund.

As you use our system, your wealth and ability will grow. But you may want or need additional advice on some of your business deals and propositions.

Whenever you need me. Contact me by phone or by letter to find out more about this service.

Do it now. A successful and secure future is ahead of you.

great respect for wrestlers. Isn't that right, Antonio Inoki?

Aside from being a music-lover, Kowalski has another trait that sets him apart from the ordinary athlete. Most gulp down a steak or two before a match, but not Kowalski. He is an avowed vegetarian. How he got that way is a long story, but we'll let Wladek tell it:

"When I had a long trip to make, my deadlines were such that I had to go by plane. Well, one day I'm up there looking down on a bunch of green and brown squares on the ground below. I got kinda bored with that, so I got myself a book — a book on hypnotism. On my next trip, I buy another book, read more about hypnotism, and about the need to exercise a strict control over what goes into the body. See what I mean? Back in 1953, I decided to cut out meat for a while, went back to it about a month later, then went off, on, off, on. Finally I stopped eating meat entirely, and I've never felt better in my life."

Kowalski likes nothing better than to sit down to a plateful of carrots, peas, lettuce, celery and other assorted vegetables. He tops that off with fresh fruit and several glasses of milk. Meat and fish are taboo. Says Kowalski: "I won't eat anything that has a face on it."

Unless it's a wrestling opponent?

In 1955, Kowalski embarked upon an amazing diet that fans are well advised not to emulate. "I started a fast by not eating or drinking water for three days," he recalls. "Then I just drank water for 28 days. I didn't eat a thing. I dropped 100 pounds. When I was through I weighed 165 pounds. Everyone said I was crazy. They said I'd never wrestle again. That was in September. I told them I'd wrestle by December. I began eating and worked out every day. I put on 85 pounds and wrestled 66 days later. Imagine that — 66 days!"

An embarrassing moment for Pat O'Connor as Wladek Kowalski has a firm grip on his trunks and the referees will have to make 'Killer' let go before the situation becomes 'unbareable' for Pat.

Although Kowalski hasn't resorted to such drastic measures again because of the haunted look and skeleton frame that greeted his reflection in the mirror, he still chuckles at some of his "crazy diets" of the past. "One week I ate nothing but apples," he grins. "The following week I was on grapes."

And now? "Just vegetables salads and some Italian foods. I've got these hydraulic juice machines in my apartment — one each for carrots, oranges, spinach, apples, etc. I'm proud of my body and keep it in perfect condition. I've never smoked. I don't drink and outside of the ring, I don't associate with other wrestlers."

Obviously, he disapproves of his confreres' lifestyles: "I've seen guys beat themselves in the dressing room before a match," he relates. "They get all excited and fool around and when it comes time to work they're worn out. Not me. I always try to catch 40 minutes of sleep before I got out (into the ring)."

Still, fans remain blissfully unaware of the refined aspect of Kowalski's nature. "They hate me," he says, quite candidly. "Everywhere I go they throw rocks, chairs and rotten fruit. I've been burned by lighted cigarettes, temporarily blinded by pea-shooters and struck in the chest by bent nails and pointed staples. I've even received the odd bomb threat."

Kowalski admits that perhaps his roughhouse approach to the sport may be a contributing factor to the crowd's hostile reaction.

'Killer' Kowalski is about to drop to the canvas, the victim of Bruno Sammartino's powerful bear hug.

Although he wasn't a believer in gimmicks, Kowalski occasionally donned a mask. Here, the cowled 'Killer' works on Haystacks Calhoun.

The late Eddie Quinn, boxing and wrestling promoter in Montreal, brought Kowalski to Quebec where the 'Killer' became a top box-office attraction.

Kowalski's been handed more than his share of suspensions and fines as a result of his vicious tactics, the most memorable being a 30-day ban by the Montreal Athletic Commission following a brouhaha with the late Yvon Robert Sr. in 1956. It seems that Kowalski kept pounding Robert with his fists long after referee Dan Murray had implored him to cease and desist.

The bout was halted only when several wrestlers who had worked in previous bouts leaped into the ring to restrain the unruly Kowalski, who appealed the suspension but in vain. But for all his ferocity and villainy, Kowalski has never resorted to using gimmicks in wrestling.

"Not that there's anything wrong with them" he is quick to point out. "I just don't use them, that's all. I think gimmick wrestlers add color to the sport — they're in a business to sell their personalities and they do it in the most interesting fashion they can think of. But I prefer to be myself."

Kowalski was chosen Villain of the Year by a wrestling magazine in 1960, but wasn't impressed by the "honor".

"I'm always getting plaques for something or other," he said, matter-of-factly. "I give them all away, usually to kids who ask for autographs. You should see their faces when I do it — you'd think somebody gave them a million bucks."

Kowalski explains his penchant for travel this way: "Wrestling goes in cycles. A certain town will be booming one month and in a depression the next. A wrestler has to keep moving with the boom to earn a good salary. Sometimes I had to go for two days with only three hours' sleep. In other words, you go where the money is.

In the course of the travelling, Kowalski has naturally come up against the nation's biggest killer — the highway. He considers himself lucky to have survived, but there have been several close calls. One traffic mishap that readily comes to mind was a car-truck collision in Rigaud, Que., back in 1957. Kowalski, driving to Ottawa from Montreal to fulfill a wrestling engagement with fellow grappler Tarzan Zorra, apparently lost control of his vehicle which was demolished on impact. Kowalski suffered from concussions and bruises and a deep gash on his forehead. Zorra sustained a fractured rib.

Although he wouldn't win any popularity polls, 'Killer' Kowalski made this female fan happy by giving her his autograph.

Chalk up one more argument in favor of retirement.

Perhaps the most lasting impression of Kowalski should be the one conveyed by Red Fisher when he wrote: "Kowalski had been pictured as a gruff buffoon who tripped over his own feet when he walked. But he wasn't gruff and he wasn't a clown. He didn't trip over his feet.

"He was a big figure in his trade and he still is. I always recall with a measure of gratitude his faculty for putting a young cub reporter at ease. The men of the wrestling profession are pictured as a strange breed of athlete. Some people like to picture them as clowns with no sense of grace or rhythm. Others point to their extraordinary size and put them in the class of freaks. But some of my best friends are members of the profession, and I always look on them with respect."

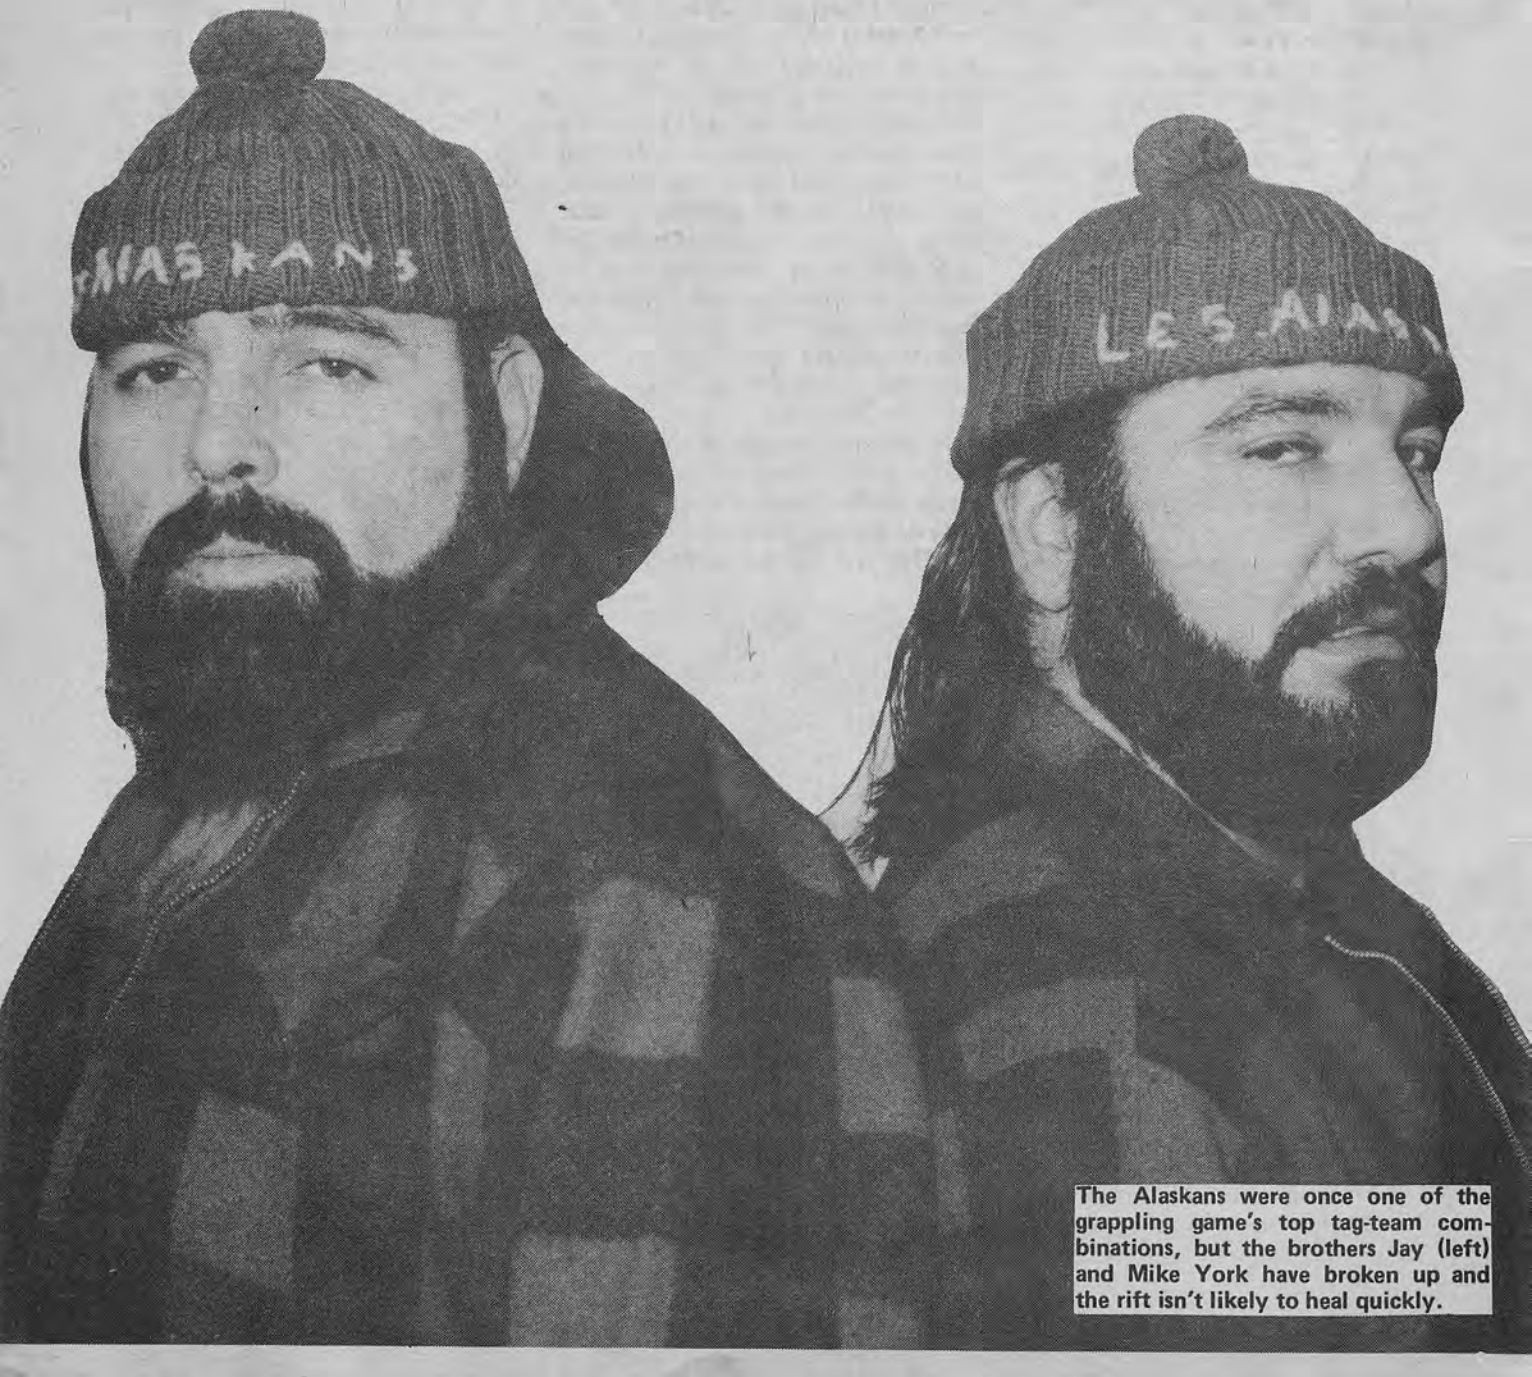
# THE DEATH VOW THAT PITTED BROTHER AGAINST BROTHER

Story & Photos by G.J. ROWELL



The Alaskans were once one of the grappling game's top tag-team combinations, but the brothers Jay (left) and Mike York have broken up and the rift isn't likely to heal quickly.

"I've had it with that stupid idiot brother of mine!" ranted Mike York, the youngest of The Alaskan brothers. "That's the last time that that jerk is going to ruin my chances of winning the National Wrestling Alliance world's heavyweight tag-team championship!"

In a furious fit of rage, Mike (The Alaskan) York hurled an old scuffed lumberjack boot across the room. The boot slammed into a row of lockers with such force that a huge dent became a permanent fixture.

"That dumb brother of mine blew it! We had the world's tag-team championship right in the palms of our hands and that dumb jerk blew it!" Another lumberjack boot sailed through the air and slammed into the old grey metal lockers to punctuate the point as Mike continued to scream.

"Well, I'll tell you something — there's only room in this business from now on for one 'Alaskan' — and that 'Alaskan' is going to be me! I'm going to put my brother out of the wrestling profession for good!

"When my brother Jay was forced out of the wrestling profession with a crippling injury, I was the one who helped him 100 per cent every step of the way to make his comeback to the ring. But now, things have changed! It's going to be ME who cripples him up and puts an end to his career!

"Since his return to the ring, I've noticed that Jay just isn't the same man anymore. He isn't as brutal as he used to be. i think that the back injury that he suffered at the hands of former World Wide Wrestling Federation heavyweight champion Pedro Morales and the layoff of several years from the ring wars are the reasons behind the drastic change. We used to be able to go into the ring and slaughter any tag team that was pitted against us. We could punch, gouge and stomp any team into submission in a matter of minutes. Now, whenever we have someone down and dazed — Jay lets up! He doesn't press for the kill! He lets up and gives our opponent a chance to recover! He's completely lost the killer instinct!

"Another of Jay's problems is that he's on a big ego trip. He thinks that just because he entered the wrestling profession before me and established 'The Alaskan' trademark — the red and black plaid shirt, the Lumberjack boots and the bullwhip — that he draws more fans than me. He forgets that during the years that he was absent from the sport, I was the one that kept 'The Alaskan' name and trademarks active. He also forgets that I was the one who added the bluejeans and toque (knitted hat) as part of 'The Alaskans' ring attire. It was I who kept 'The Alaskan' image in the minds of our countless fans throughout the world.

"Did you see the outfit that that jerk is wearing into the ring now? A white Mackinaw jacket, a mangy fur hat and deerskin moccasins! He looks like a poor man's hippy! He's ruining 'The Alaskan' image!

"Can you imagine trying to kick a man's head in with those funky moccasins that my brother wears? Why you probably couldn't even give him a good headache. What you really need for kicking in a man's skull is the good ol' lumberjack boots. I really love to lace them in the head with the boots. As a matter of fact, a wrestler died as the result of the stompin' I did on his head with my lumberjack boots, so I really know their worth!"

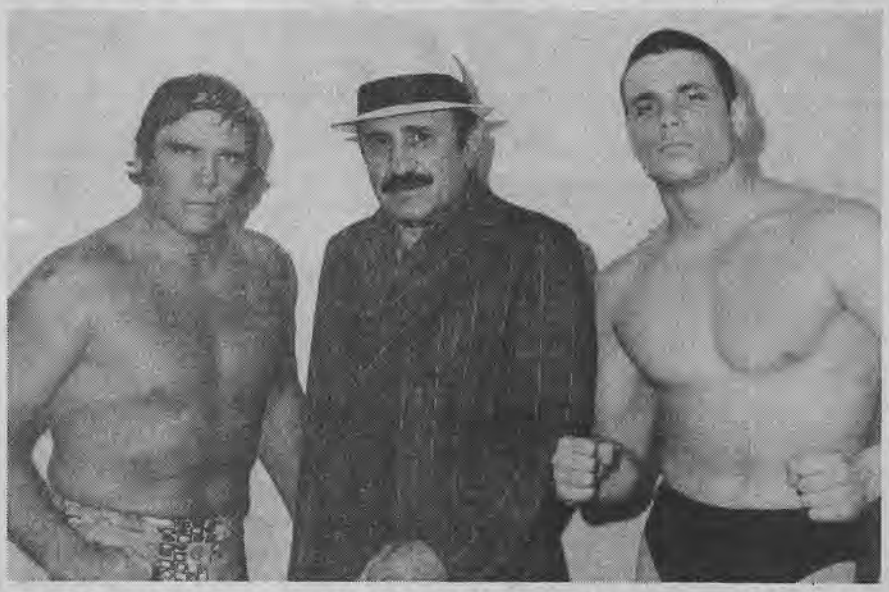
Mike (The Alaskan) York's anger continued to seethe as he spat on the floor in disgust.

"During the time that Jay was out of action with his back injury, he developed his musical talents to a high degree. He toured with the rock group 'Delaney & Bonnie and Friends' and cut several records. Now that's all I ever hear anymore — 'Eric Clapton, Billy Preston, Delaney & Bonnie' — who in the hell are 'Delaney & Bonnie'?! What about Bobo Brazil and Igor Vodik? The Sheik and The Butcher? Angelo and Lanny Poffo? What about them?! They're the ones we face in the ring! They're the ones we have to beat to earn our paychecks!"

Oftentimes Mike York is called "Maniac" Mike York because of his uncontrollable viciousness. As I stood in the dressing room and watched Mike York's face contort as he screamed and hollered and ranted and raved, I thought to myself that here was a perfect example of a maniac. By now York's eyes had turned glassy and he was beginning to foam at the mouth.

"I'm gonna do Jay a favor! I'm gonna beat him so bad that he'll have to retire to the music business! Then, he'll be happy and so will I! Because, I won't have that jerk around blowing our matches anymore!!!

"When we were kids growing up, he was always larger than me and I took some terrible beatings from him! Now the tables are turned because my muscles are more developed than his and I weigh more than he does and I'm gonna take great pleasure in making up for all of those bloody beatings that I suffered!!!"



**The father-son, tag-team combination of Angelo (left) and Lanny Poffo (right), who are shown here with their manager Saul Weingeroff, played a part in the breakup of the Alaskans.**

The camera catches Lanny Poffo in mid-air as he connects with a flying drop-kick to the chest of Mike York.

Stunned by Mike York's two-fisted assault, Angelo Poffo is about to be on the receiving end of another punch from 'Maniac' Mike.

Jay York's strength is obvious here as he's about to throw Angelo Poffo to the mat with a one-handed flying mare hold.

The Alaskans have had heated words before, but they always got over it and managed to keep the team together and continue on their winning way. However, the straw that broke the proverbial camel's back happened when The Alaskans faced the Poffos for the N.W.A. world's heavyweight tag-team championship. Towards the end of the match, Jay was about to pin Lanny Poffo to the canvas to win the one-fall title bout. It appeared to be a certain victory for The Alaskans — then it happened! Mike, who had been tempoarily blinded by illegal eye gouging, was still inside the ring groping around on the mat. Much to the joy of the fans, Mike reached over and dragged Jay off the prone body of Lanny Poffo. This mistake was all that was needed by Angelo Poffo. Angelo ran in, stunned Jay with an illegal punch and quickly captured the fall and the match.

Mike York was red-hot! He ranted and raved at Jay for the loss. Jay tried to explain to Mike that Mike did not pull Lanny off Jay, but that it had been the other way around. Mike would have none of that excuse! Mike became so angered at his brother, that he actually shoved Jay and tried to provoke a fight. Jay just ignored Mike and walked away, leaving the ring and Mike far behind.

The Poffos and their manager Saul Weingeroff stood on the sidelines and watched with great amusement at the thought of destroying another team. Seeing Angelo still at ringside, Mike stepped through the ropes and shook Angelo's hand saying, "You're really all right. You're a good guy. You're not like my idiot brother!"

Finally, the arena police had to escort the angry Alaskan away from the ringside.

As the angry words of Mike York still echoed in my ears, I crossed the hallway to the dressing room of Jay York. I got a slightly different welcome as I opened the door.

"Hi, man! How're you doing? It's good to see you again."

Jay was as cool and calm as could be. "Wow, something must really wrong with my brother's head. Just listen to him yelling and throwing things around across the hall. I tried to explain to him that he had made a mistake, but no, he wouldn't listen.

The lumberjack boots of Mike York are about to stomp a stunned Angelo Poffo.

Hell, I'm not mad at him for making the mistake. It could happen to anyone in the heat of battle. It was just a mistake — that's all.

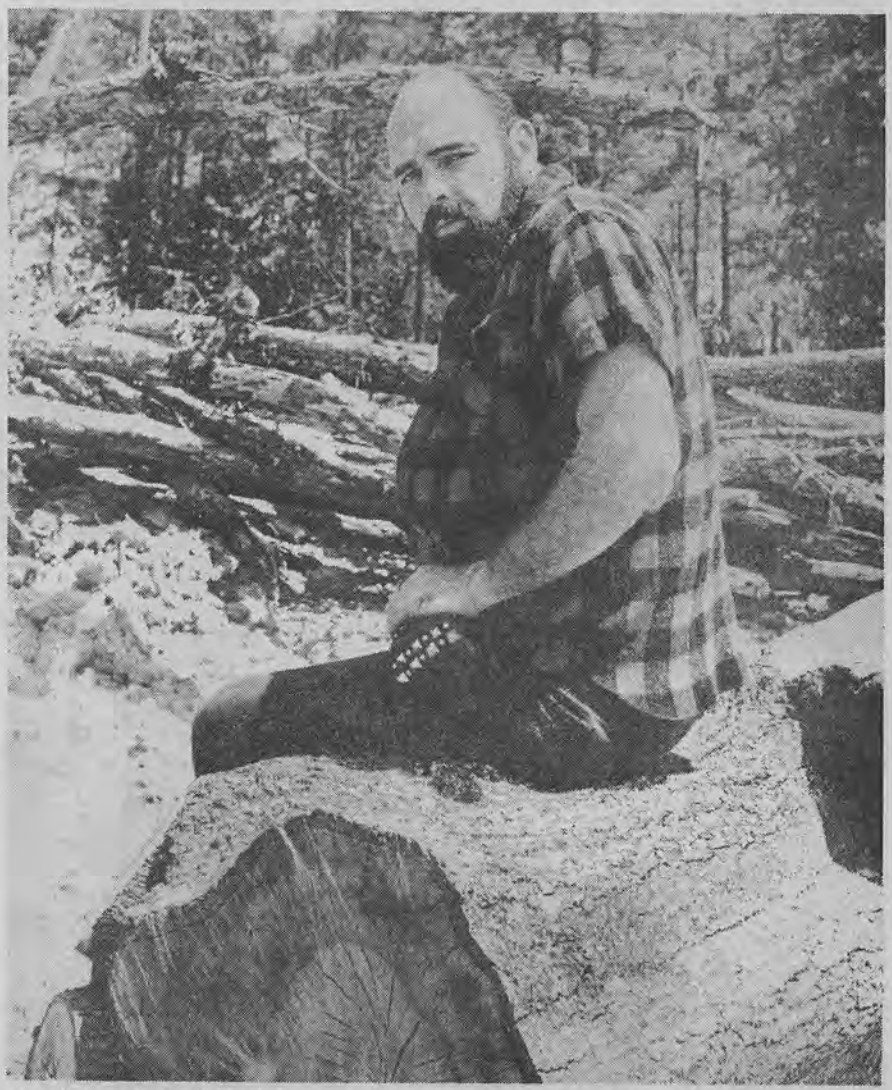
"They used to call my brother 'Maniac' Mike York. I can see why. I think he's flipping his lid. He really enjoys hurting people. I'm beginning to think that Mike actually enjoyed stomping on Alex Medina's head until he did enough brain damage to cause Alex's death. I can't be that brutal.

"He's always harping at me about something. Lately, it's been my ring attire. Sure, I'm changing my image. I don't want people to confuse me with my brother. I don't want people thinking that I'm 'The Alaskan' that deliberately killed another man in the ring.

"And as far as my music is concerned, I think that Mike is jealous of me. Hell, I don't knock him because he likes to race his drag boats. Why should he continually knock me because I like my music? I know that Mike is jealous of me and my musician friends, because I recently gave a party to celebrate the release of my newest single record 'The Gas Station Man' and 'Thank God For The Groupies' and Mike didn't even show up for the party. I know he had to be jealous, because Mike York is 'Mr. Party' himself. He is forever partying and having himself one hell of a good time.

"Even though we've held the world's tag-team championship on several different occasions in several different alliances, I feel that it's time to break up our tag team and both go our separate ways. I could hear Mike yelling remarks across the hallway that he was going to cripple me and put me out of the wrestling profession. He's crazy enough to try to do just that, so as far as I'm concerned, The Alaskans are a thing of the past.

"As soon as I finish packing my bags tonight, I'm heading for a different wrestling territory. I taught my brother almost everything I know about fighting dirty — almost everything. I still have a few tricks up my sleeve that I could use. But, he's my brother and I don't want to see a showdown where it's certain that one of us would be carried crippled or dead from the ring."



Jay (The Alaskan) York is as much at home in the woods as he is in the wrestling ring.

# ACTION ON THE WEST COAST

by ALLAN BOLTE

The year 1977 was one of the most exciting in wrestling rings throughout the West Coast. Promoter Roy Shire continued to present some of the greatest wrestlers in the sport on mats in the area in some action-packed matches.

Let's take a recap of what happened in West Coast wrestling circles. In January there was the annual $15,000 18-man Battle Royal. Participants from all over the world included some big name wrestlers like Peter Maivia, Earl (Mr. Universe) Maynard, 7-foot-5, 455-pound Andre the Giant, the Masked Invaders, Moondog Mayne, Dutch Savage, Jimmy and Johnny Valiant, and others.

The winner of this dangerous event was none other than Andre the Giant. He was the last man standing over 17 other great wrestlers. It was a very exciting night of ring action which drew over 12,000 fans into the huge San Francisco Cow Palace.

Japan's The Great Fuji, who knows karate, judo, kung-fu and is a master of the martial arts, was involved in quite a situation in February. He was scheduled to defend his United States heavyweight championship against the ever-popular Pat Patterson in a 'Gladiator Death Match,' a very dangerous match with absolutely no rules. A wrestler entered the ring wearing a mask; however, it turned out not to be Fuji. The man lost the match, but still the majority of fans were upset because it wasn't Fuji. Did Fuji put this wrestler up to taking on Patterson because Fuji was afraid to wrestle him in such a dangerous type of bout?

The California State Athletic Commission and members of the National Wrestling Alliance, including vice-president Roy Shire, met a few times and Fuji wound up being fined and was banned from wrestling anywhere in California.

In March, a tournament was held to determine the U.S. heavyweight champion. All matches were one fall, with a 15-minute time limit except the final match, which was one-hour, best two-of-three falls. Peter Maivia, Moondog Mayne, Patterson, Russia's rugged Alexis Smirnoff, The Sheik, Tony Garea, and others were involved in this tournament. Patterson and Smirnoff were the last two survivors. Therefore Patterson and Smirnoff wrestled in a wild battle which Smirnoff won, winning the crown.

Smirnoff is one of the most unpopular wrestlers in the area. He stands 6-foot-2 and weighs 272 pounds. Whenever he is wrestling he pays absolutely no attention to the rules. He kicks, chokes, gouges and stomps his way to victory match after match and the fans hate him.

He defeated Patterson in a 'Russian Chain Match,' which Smirnoff insisted is his kind of match. Both wrestlers were strapped together with a heavy chain and they were bleeding severely by the time the bout had ended.

The summer months saw Smirnoff successfully defend his title against Alberto Madril, Moondog Mayne, Cha-

The Great Fuji was suspended from wrestling in California because he sent an imposter wearing a mask as a substitute for himself in a match against Pat Patterson.

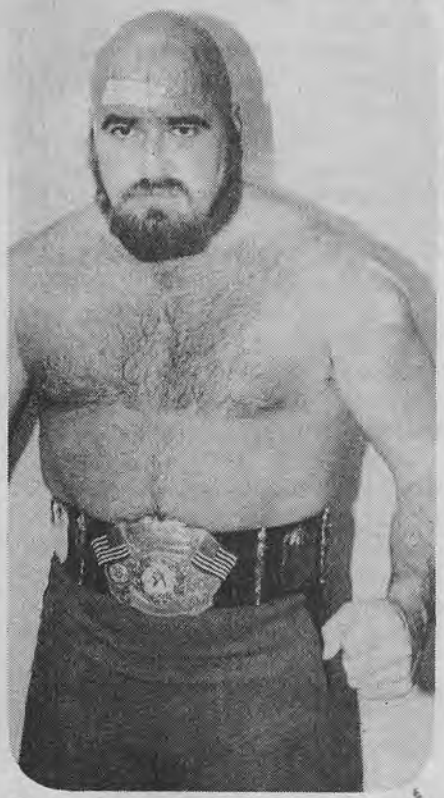
One of the most popular performers on the West Coast is Pat Patterson, shown leaving his footprints on the midsection of Hiro Ota.

vo Guerrero, before he finally lost the crown to one of the most popular wrestlers in the country, Dean Ho of Hawaii.

Ho is a great wrestler. He is strong, talented, experienced, fast, smart and very muscular. He uses all of these to his advantage and when he challenged Smirnoff for his belt he fought fire with fire in a knock-down, drag-out brawl.



Alexis Smirnoff bears the scars of battle under the tape, but the rough and rugged Russian can dish it out with the best of them and has made his mark on the West Coast.

The fans were behind Ho all the way and when he won the match and the championship they couldn't have been happier.

Rules of wrestling state that a champion who loses his crown is entitled to a return match within 30 days. Ho defeated Smirnoff in the same ring in a wild 'Death Match.'

The Fabulous Moolah, the women's world wrestling champion, successfully defended her crown against lovely blonde Vicki Williams. The bout actually took place because Williams defeated Moolah in a non-title match in New York's Madison Square Garden. Promoter Shire made a bid to hold a title match between the same two in San Francisco and he was the highest bidder. Regardless, Moolah, who is definitely the greatest lady wrestler of all time, again kept her belt.

As if that wasn't enough, she made a challenge to Dean Ho, the current male wrestler!

"I am by far the 'living legend', the greatest lady wrestler of all times. I have defeated challengers all over the world. I am so great that I also could defeat any male wrestler in the ring fair and square. I hereby issue a challenge to Dean Ho, the current United States Champion of men wrestlers, to a match. I'll take him on anywhere and at anytime."

Does she sound a bit like boxing's Muhammad Ali? Regardless, the California State Athletic Commission made mixed matches (lady wrestlers versus men wrestlers) illegal anywhere in the state. Unless they change their ruling, or unless the match takes place somewhere outside of Cali-

fornia or a few other states where it is also banned, the match will not take place.

If and when the match does take place, we will keep you informed in future issues of WRESTLING REVUE in this ACTION ON THE WEST COAST column. Watch future issues for more information as it comes along.

Guy Lambert is a capable young wrestler who is very determined. He has a great amateur wrestling background and got his start wrestling professionally in Canada. After a year of defeating many of the greats there he returned to the West Coast where he was born and opposed many topnotchers here. Standing 6-foot-1 and weighing 232 pounds, Lambert prefers wrestling scientifically by the rules.

He admits it is hard to follow the rules when up against such roughnecks as Bob Roop, Smirnoff, the Von Steigers and others who consistently break the rules whenever possible.

*****

In Los Angeles, the team of Chavo and Mondo Guerrero have been winning the hearts of the fans. Chavo is the former junior heavyweight wrestling champion when he weighed 211 pounds. He outgrew the category when he reached 228 pounds. He currently weighs 224 pounds, four pounds more than his younger brother Mondo. Only 23 years old, Mondo provides plenty of action when he is in the ring. Watch for The Guerrero Brothers to go a long way in wrestling.

Also in Southern California rings Keith Franks has been winning matches.

Andre the Giant made a recent appearance at the Olympic Auditorium and the fans were happy to see him. When Andre makes an appearance it is always a very rare one due to the fact he is constantly in demand all over the world.

Known as 'The Eighth Wonder of the World', he played the role of 'Bigfoot' on 'The Six Million Dollar Man' television program and made quite an impressive acting debut, although he spoke little. Andre was born in France and still speaks little

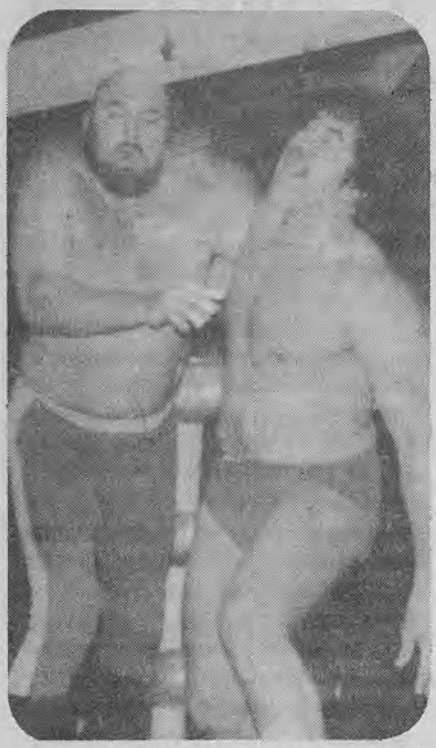
# ACTION ON THE WEST COAST

by ALLAN BOLTE

(Photo by Larry Barnhizer)
The terrible twosome of Fuji and Saito are in action here with Alberto Madril the unfortunate victim of their double-teaming.



(Photo by Larry Barnhizer)
Another popular and proficient West Coast grappler is Alberto Madril, who is about to give Alexis Smirnoff a trip across the ring.

The greatest woman wrestler of all time as well as the current champion is the truly Fabulous Moolah.

The Oriental tag-team twosome of Mr. Saito (left) and Mr. Fuji spells double trouble for any of their opponents.

English.

Another wrestler who played a major role in a hit motion picture was Earl Maynard who appeared in 'The Deep'. He, too, spoke very little in the movie, yet his appearance was impressive.

Rock (Mr. Wonderful) Riddle also does quite a bit of acting when he is not wrestling. He prefers acting to wrestling, just like Pepper Martin. Pepper is also spending a considerable amount of time doing double duty as an actor.

Most wrestlers who have also been actors on television and/or in movies agree acting is their first choice. The money is great and chances of being injured are slim.

"Money in acting is almost unbelievable," Pepper Martin announced. "The work is hard and hours are long, but I love it. I also like wrestling because it helps me stay in shape; however, each time I wrestle I am taking a big chance. There's a good chance I would wind up being injured in the match and if that happened, it could ruin my acting career if I am in the middle of filming something."

On the other hand, wrestlers who have also played professional football agree they prefer wrestling.

"When you consider the amount of time involved, training and travelling, wrestling earns more money," Ernie Ladd stated. "I was big in football and I am big in wrestling.

I prefer wrestling for several reasons. In wrestling, there is no one to share a win with or blame a loss on as there are teammates in football. I have always preferred individual competition. And, the money is better in wrestling so long as you are appearing in main events in major arenas.

"I have made lots of money in wrestling, and I love every minute of it. I am naturally aggressive. I was aggressive on the football field and I feel I am twice as agressive on the wrestling mat."

Ladd is one of many pro athletes who have both wrestled and played football.

*****

The current world's tag-team champions are the rugged brother team from Germany, Kurt and Karl Von Steiger. Together, the two weigh 484 pounds and they are very sadistic and ruthless. They have stated that they are the greatest wrestling team in the world, simply because they have German blood flowing through their bodies. All American wrestlers are inferior to them befause American wrestlers are not Germans. Germans are by far the superior people.

How true this is is a moot question. This is what The Von Steigers have stated and this is what they believe.

They won the crown from Pepper Gomez and Alberto Madril during a tag-team tournament which was held to determine the world's tag-team champions. Admittedly they kicked and broke every rule they could on the way to victory.

Could The Von Steigers keep up their successful winning streak if they wrestled cleanly and scientifically?

"We do wrestle scientifically," Kurt shouted. "A German wretler does not have to break any rules to win a match, and that's why we don't. Lots of wrestlers, promoters, writers and announcers say that we break the rules. That's not at all true. They are just jealous of us."

That's all for this month, we'll see you in the next big issue of WRESTLING REVUE.

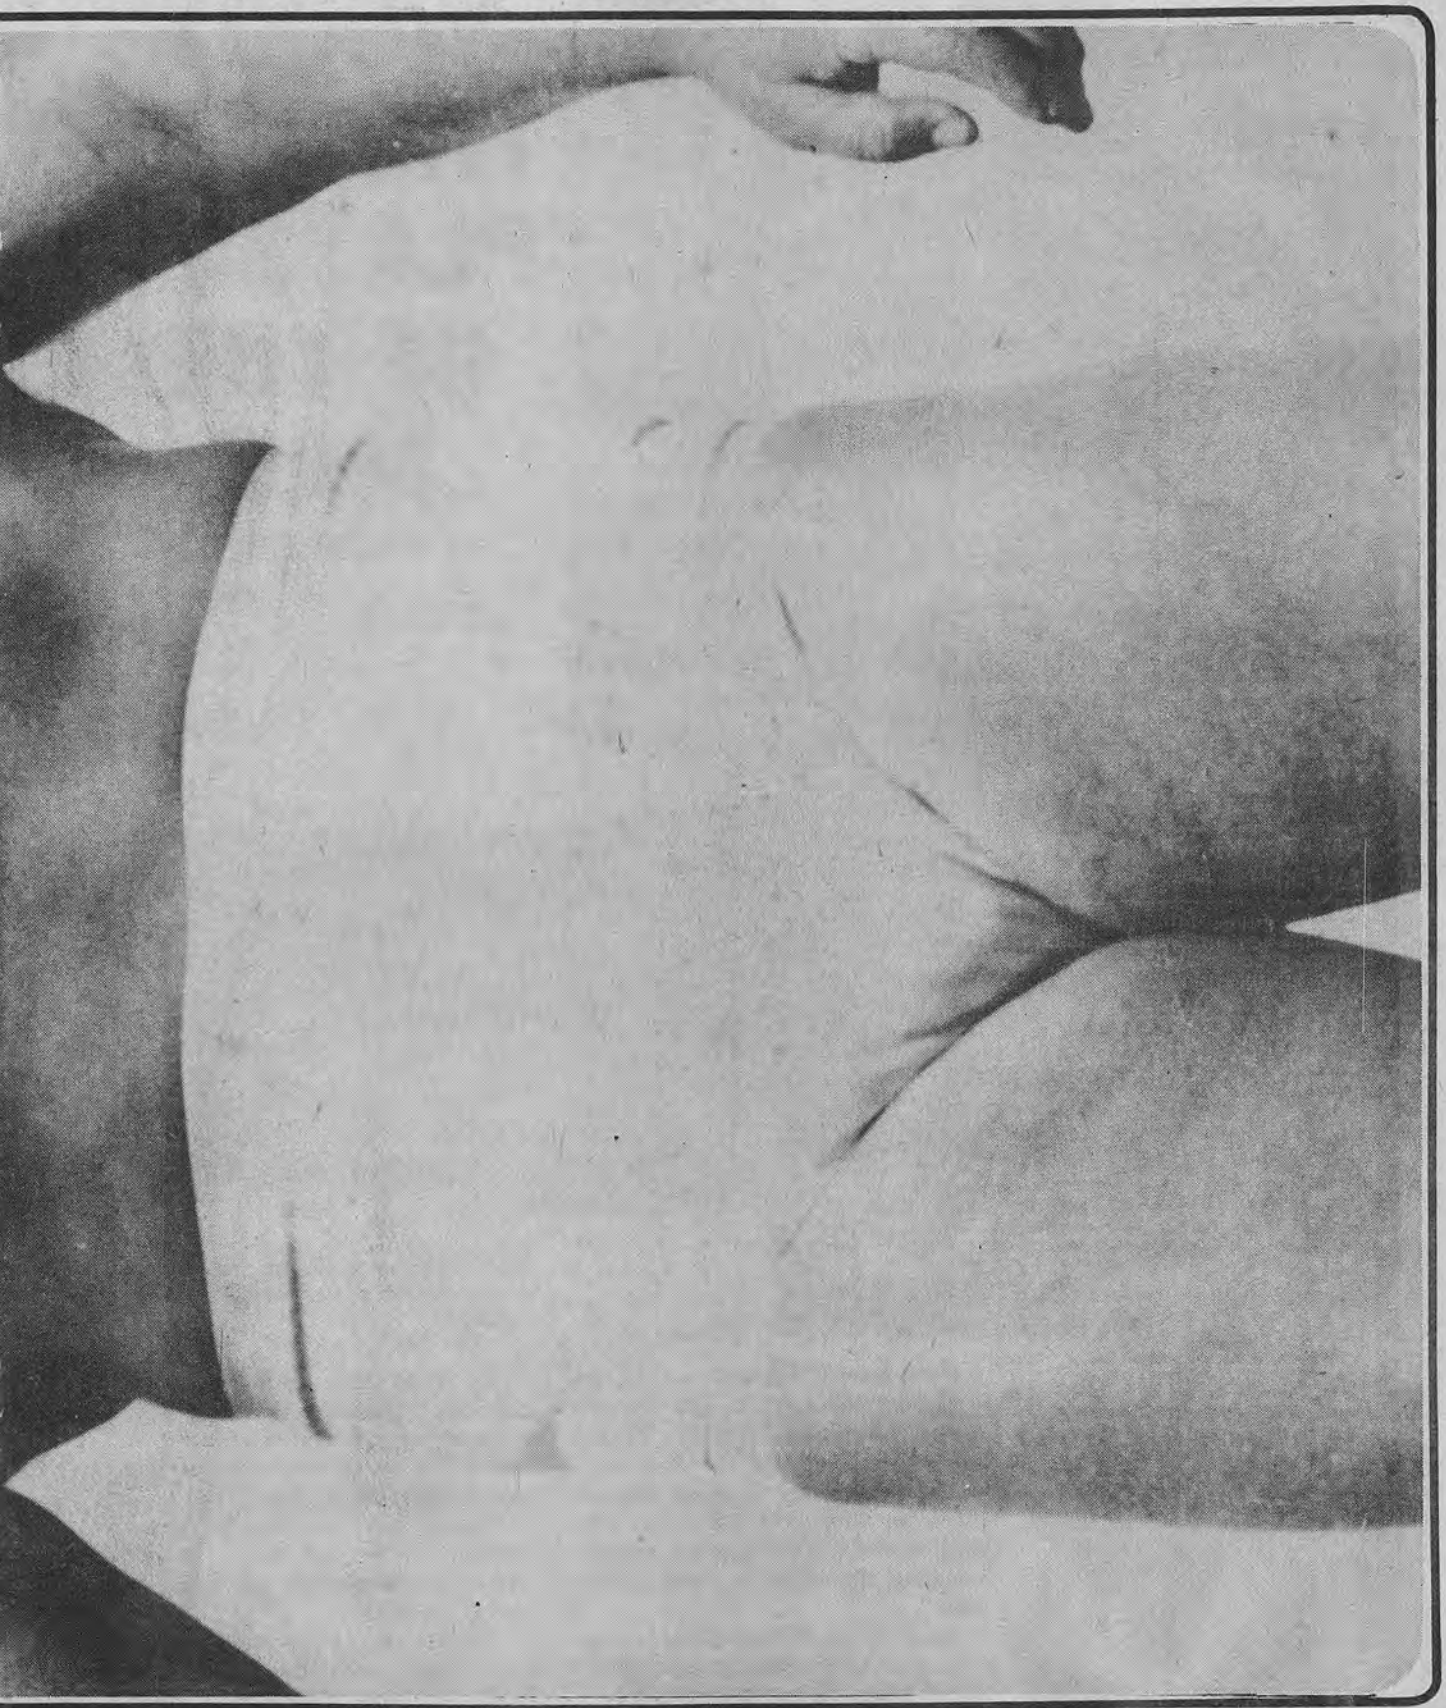
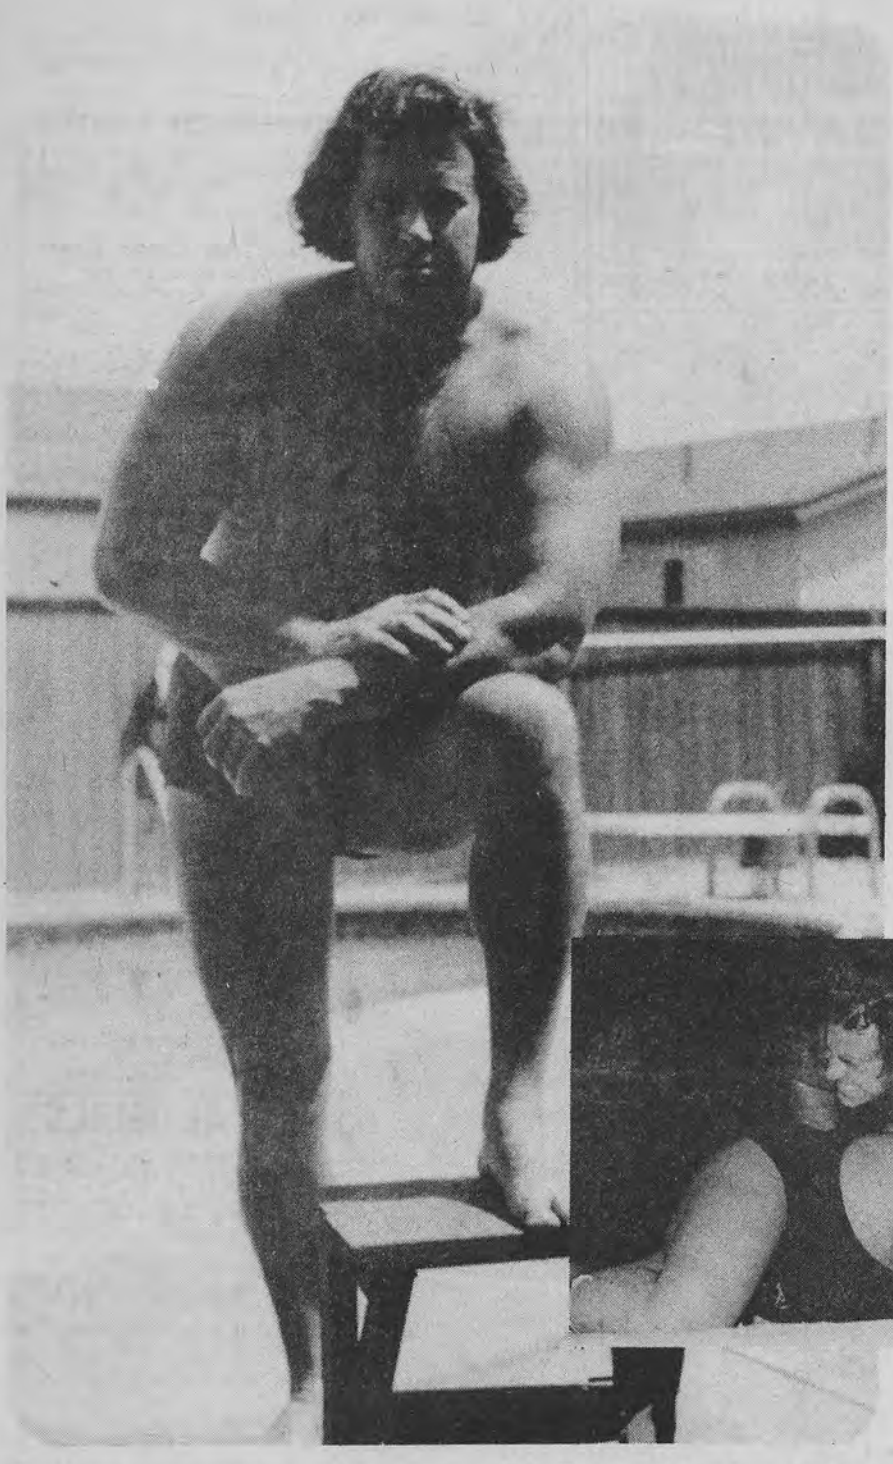
# G GREATS: YUKON ERIC



# WOODY FARMER: PLAYBOY OF THE MAT

by ARMONDO HEMINEZ



Woody Farmer, who stands 6-foot-3 and weighs 268 pounds, lives a life of luxury because of his success as a wrestler.

Woody Farmer pours on the pressure as he applies a hammerlock on his opponent.

The French Riviera? A Chicago nightspot? Sailing on the Florida coast? Where will playboy Woody Farmer turn up next?

The fast-moving jet-setter Farmer keeps an incredible pace. He lives hard, fancies himself to wine, women, and song, and admits to being a "hell-raiser".

Inside the ring Woody sticks to business, and to Woody business means busted heads and big fat paychecks.

His rough and aggressive style of grappling has earned him a big reputation among the nation's promoters. And he has become one of the highest-paid wrestlers on the mat.

Though he is described as vicious, sadistic, insane and worse, Woody feels those statements are based on jealous attitudes.

"Those who know me, know I have class!" says the husky California trucking magnate. "I really

don't care what they say, how much money did they make last night?"

Money is the biggest object, next to himself, in Woody's life. He lives in a beautiful $120,000 home, drives a brand new El Dorado Cadillac, has a garage full of motorcycles, and own one of the largest record collections in the country.

He finds contentment at home, in spite of the fact that he only spends about three to five days per month there.

"I am usually on the road 25 days a month," said Farmer. Wrestling in San Francisco, Phoenix, Portland, Seattle, Houston, and even an occasional stop in Tokyo.

But the constant travel brings in the big money. And his six-figure annual income suits him well. "It's worth some sacrifices for the kind of security big money brings."

Besides wrestling, Woody owns three freight lines. They are run by his close friends, who serve as business managers. But Woody does enjoy sharing some of the office work when he is home for a long stay.

Another of the big man's (Woody stands 6-foot-3 and weighs 268 pounds) favorite pastimes is speedboat racing. He owns a fancy $30,000 job, and loves tearing up lakes near Shasta Mountain in northern California.

"I have always enjoyed weightlifting, it gives me the chance to demonstrate superiority." Farmer can bench-press 500 pounds, and that is responsible for his huge muscular shape. His biceps measure 20 1/2 inches, his chest is 56 inches and his neck about 20 inches.

Many years ago, Woody was just a tall skinny young man with a dream to make it big. With weightlifting and hard training, he has come into international prominence.

What are Woody's goals for the future? First and foremost, he would like to win any and all championships in wrestling. Second, he would like for himself and his best tag-team partner, Jody Arnold, to mop the floor with all other teams on this continent.

The coming months and years will bring more miles, but more loot to Mr. Woody Farmer. Whether that will change his attitude or not is anyone's guess. One thing is for sure, the sport of wrestling will feel his presence more than ever!

# THE VOW KOLOFF COULDN'T KEEP

Photos by LARRY BARNHIZER

"I'm getting sick and tired of hearing other wrestlers telling me that Pat Patterson is the guy to beat in California.

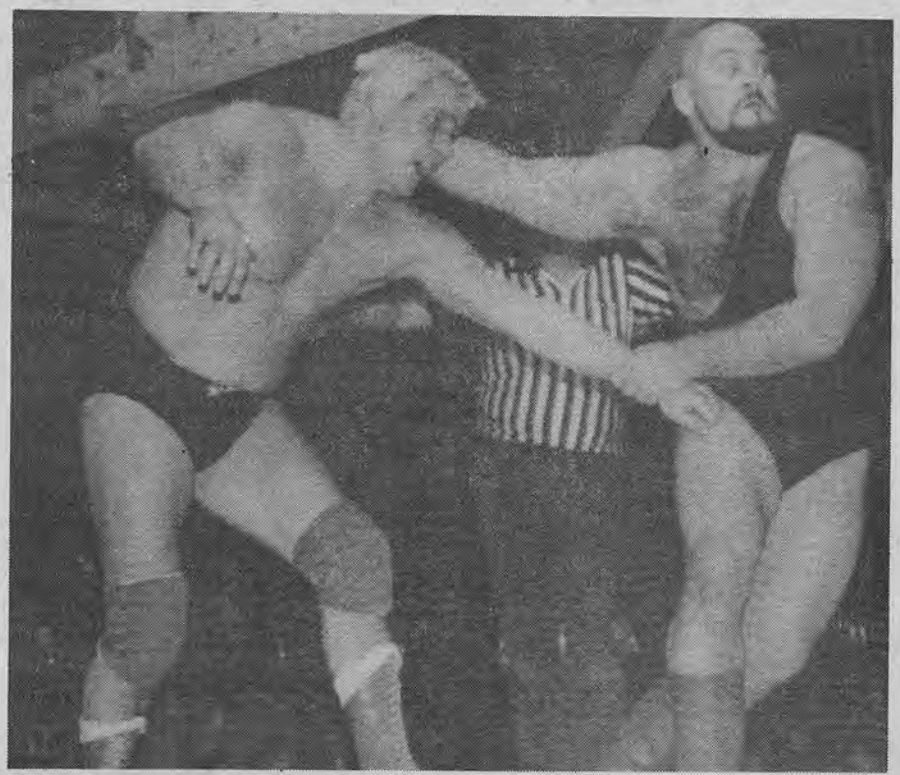
"I prefer a single match as I'm not in love with the idea of a tag-team bout, but I'll do anything to get my hands on Patterson.

"Who is going to be Patterson's partner? Alberto Madril, ha, this will be a case of the blind leading the blind. I'm going to do the sport of wrestling a big favor by crushing these puny weaklings with my powerful arms and putting them out of wrestling for good.

"It's a good thing that Patterson has Madril for protection as he's going to need it. I don't really need Chris Colt as a partner as I figure I can tear both of their heads off by myself. However, Colt just might come in handy as he can keep his eyes on Madril and Patterson to make sure that they don't resort to dirty tactics."

These were the words of Russian ruffian Ivan Koloff, who was paying a rare visit to Northern California and was anxious to display his wrestling wares for the fans in Modesto.

The following photos by Larry Barnhizer tell the tale of the tag-team tussle between Alberto Madril and Pat Patterson and the dastardly duo of Chris Colt and Ivan Koloff.



Ivan Koloff got his wish as he started the match off against Pat Patterson, and the Russian villain wasted no time getting down to business as he whipped Patterson into the turnbuckles.

As Patterson bounced off the ropes, Koloff caught him in his powerful bear hug and the expression on Pat's face shows that it isn't an enjoyable experience.

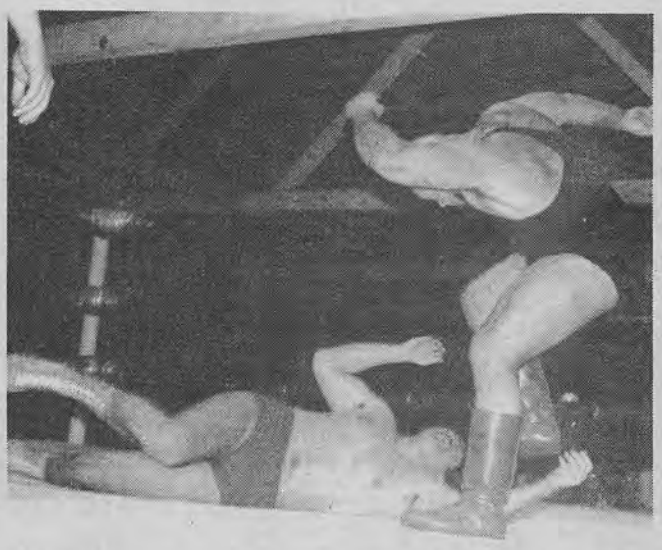
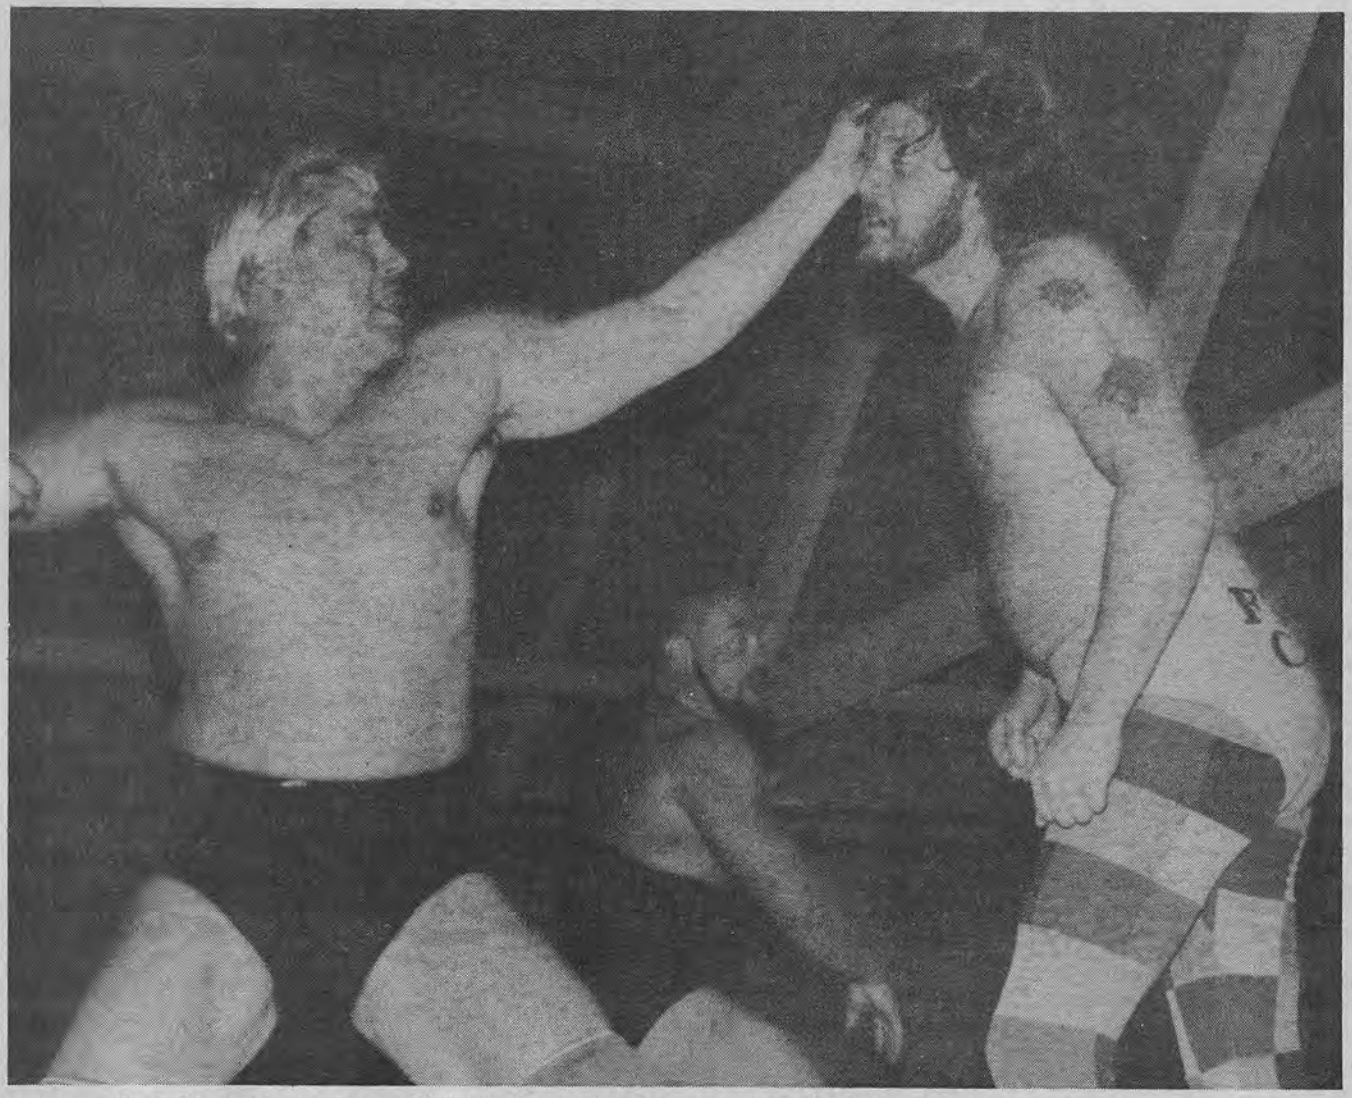
Chris Colt stands on the rope offering encouragement to his partner while Koloff continues applying his bear hug on Patterson.



After Patterson managed to get out of trouble, it was Alberto Madril's turn to swing into action but he was greeted by a boot barrage from stomping Ivan Koloff.



Irate over Koloff's ruthless attack early in the bout, Pat Patterson swung back into action and proceeded to greet Chris Colt with a right to the jaw.

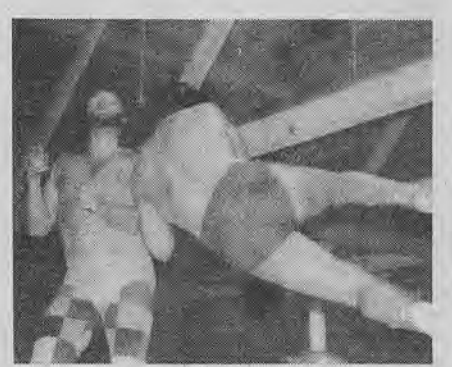
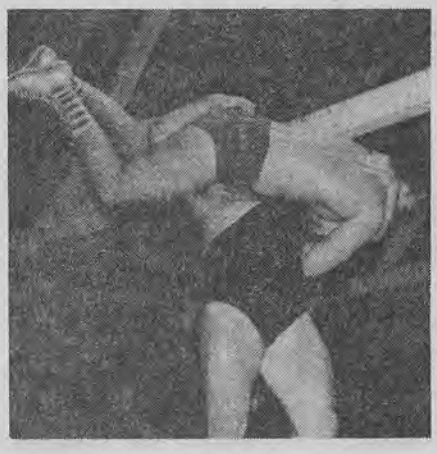
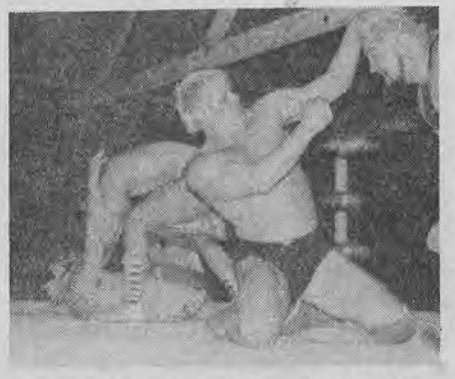
**Alberto Madril kills two birds with one stone, so to speak,as he prepares to whip Chris Colt across the ring (left) and Colt runs smack dab into his partner Ivan Koloff, who had climbed into the ring to come to Colt's rescue.**



**This spectacular flying shoulder block by Alberto Madril as he bounces off the ropes catches Chris Colt flush and sends him sprawling to the canvas.**



The outlook was bleak indeed for the Madril-Patterson duo when Ivan Koloff lifted Madril high in the air for a body slam, then picked Alberto up and slammed his head into the ring post.



But virtue eventually conquered. While Madril applies his match-ending crucifix hold on a stunned Colt, a kneeling Pat Patterson is about to keep Ivan Koloff from interfering as he gets set to deliver a right to the head.

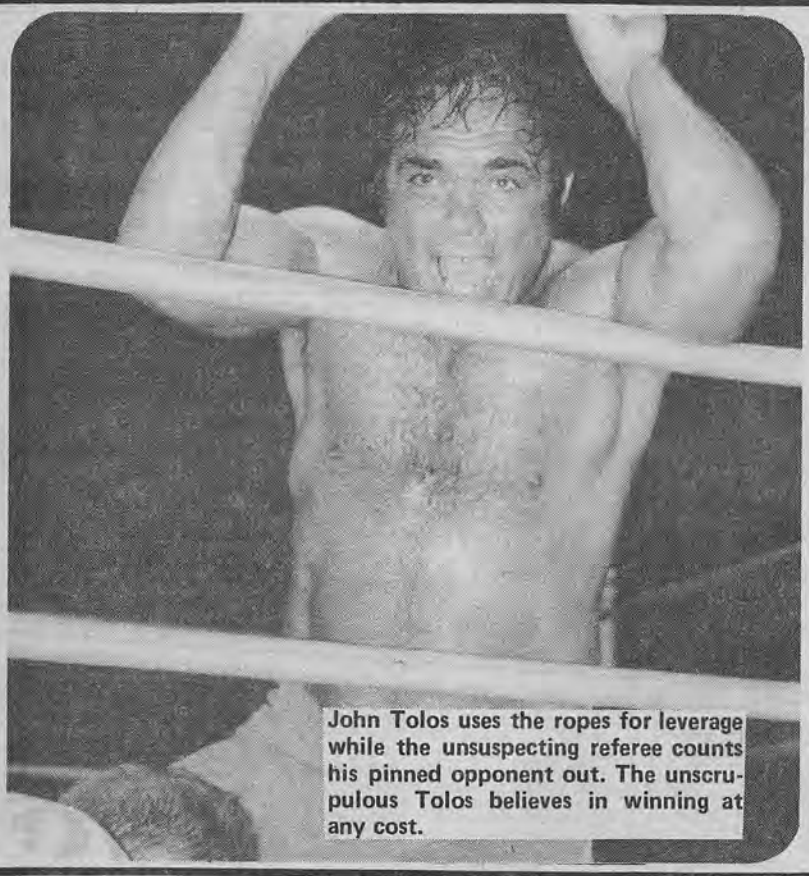
# WRESTLING'S VILLAINS LIVE LIKE KINGS

by JESS HERNANDEZ



John Tolos uses the ropes for leverage while the unsuspecting referee counts his pinned opponent out. The unscrupulous Tolos believes in winning at any cost.

To the villains go the spoils of wrestling's whirligig and merry-go-round. The bad guys of matdom drive the fancy Cadillac cars with chauffeurs. They also laugh all the way to the nearest bank.

That's the way it turned out for guys like Count Billy Varga, John Tolos, Barone Michele Leone, Hardy Krauscamp, Vic Christy and brother Ted and the Zaharias boys, George and Chris. As a matter of fact, the Zaharias clan got so mean and boisterous in San Diego one night the fans burned down the stadium!

That didn't happen during the mat tenure of Count Billy Varga the reigning Hungarian Adonis. Billy was always the nice guy in short pants keeping law and order inside the wrestling arena. However, toward the end of the mat trail, Billy turned villainous much to the surprise of his mat fans. "I've been a nice guy image all my life but just at the end of my career the guys I was rasslin' got too dirty. So I changed my style of wrestling to survive.

"Look at what is happening to nice guys like Chavo Guerrero and Mil Mascaras," said Varga. "I was at the Olympic to award Chavo a gold watch for being the wrestler of the year. So what happened? Roddy Piper, a no-good you-know-what, got the watch and destroyed it. I paid a helluva lot of money for it. That's what you get for being a nice guy. Phooey on guys like Piper and John Tolos," Varga replied.

The nice-guy image Billy Varga displayed inside the arena during his heyday didn't quite carry onto the Hollywood screen where Varga is a super-duper actor. If Billy isn't choking somebody to a purplish color, he's machine-gunning a rival to kingdom come. But Varga laughs all the way to the bank.

Barone Michele Leone from Abruzzi, Italy, tried tossing lollipops to his fans to try and win friends in his heyday of mat terror, but the gimmick didn't work since he was booed and hissed. They didn't come any meaner and dirtier than Leone who almost won the world's championship in 1952 at Gilmore Stadium before a record throng of 28,000. The only reason Leone didn't win the title was because Lou Thesz his opponent that night refused to surrender the crown in a match called the most gruesome and dramatic in mat annals.

Leone fought with Billy Varga in a title bout which the Hungarian Adonis won. Today, Barone Leone is a wealthy man-about-town living in Santa Monica where he struck it rich.

Badman John Tolos, the Greek Adonis, is despised by mat followers. Whenever Tolos drives his expensive car into the Olympic Auditorium lot, he is pelted with fruit and rocks. Tolos makes no bones about the fact that the feeling is mutual in his relationship with the rambunctious clan. Yet the Golden Greek carries a charge plate and enjoys the best things in life. Thanks to his legion of non-adoring fans!

Ted and Vic Christy were proteges of the late Lou Daro of the Olympic Club on 18th and Grand. Ted won recognition as world champ with a win over Yvon Robert 1942, then teamed with brother Vic to capture the world's tag-team derby. Their matches usually ended in bloodbaths outside the arena. Ted became a Hollywood stuntman and died not many months ago.

True to the tradition of Hollywood folklore, it's the bad guys who drive the shiny, spanking-new cars with chauffeurs while the nice guys labor behind a T-Bird in nerve-racking traffic. To the villains go the spoils. They savor their idolatry with splendor and contentment!

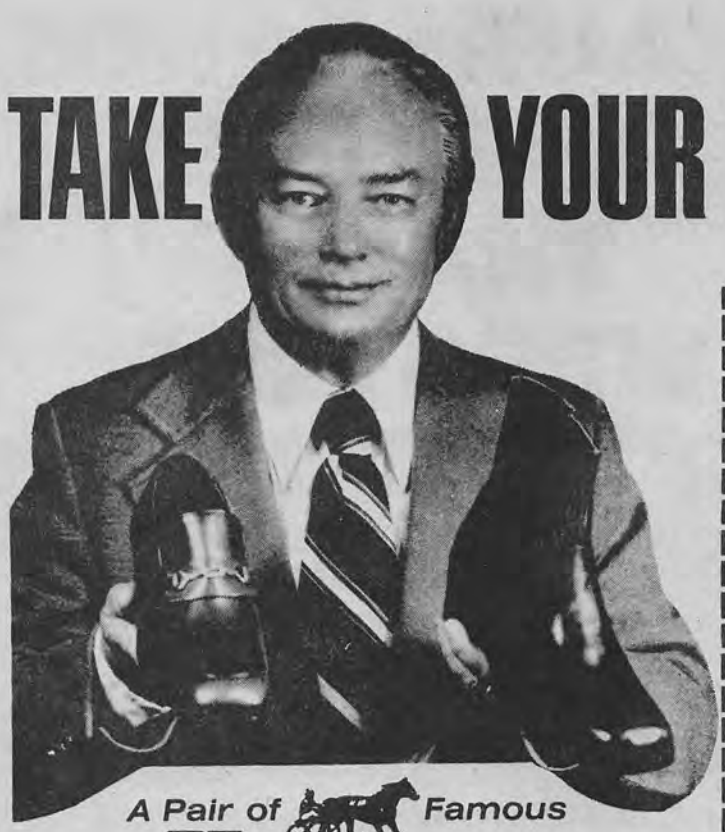
# TAKE YOUR PICK...



A Pair of Famous **Hanover®** Shoes or Boots...

# YOURS FREE!

I've given away thousands of shoes and boots to men who had the courage to face the fact that the only way to beat high prices is with more money. I've shown these men how they can earn up to $200 extra each month by showing friends and neighbors how to save $15 or more on high quality shoes. For proof, look at the comparison story on the right.

Jumping on the Hanover bandwagon is the simplest thing you can imagine—and it doesn't cost you a cent. Just mail the card at the right. It doesn't even need a stamp. I'll send you a complete selling kit including the full color Hanover catalog of more than 200 shoe styles and put you in business for yourself right now.

You'll find the Hanover catalog will let you offer your friends dress shoes and boots, casual shoes, slip-ons, work shoes, fleece lined boots for working outside or hunting. You don't "sell." You hand the catalog to a friend or co-worker, let him see the spectacular buys Hanover offers, and let the high quality of Hanover sell for you. I am not suggesting that you quit your regular job. Not at all. Right now I'm talking about a spare time business that will bring you extra income. But let me also tell you that the Hanover door is open to even more opportunities and more money. I'll show you how you can put yourself into the executive class at an executive's income. And I'll show you plenty of men who have followed this path with Hanover and are making more money than they ever made in their lives.

**FREE SHOES**

Free shoes? Sure. Send in the card and let me send you the selling kit. Take orders for just ten pairs of shoes in the first 30 days and you can have any shoe in the catalog selling up to $29.95 free. Of course you'll also get $40 or $50 in cash in commission, too. And keep your eye on the BIG payoff —the fact that this can be the start of your own business and a new life for you.

**It is obviously not easy to report definitive world records for much of the subject matter contained in this volume. Beauregarde is more than just a wrestler. Beauregarde is also a record album. It is a record album produced and arranged by — guess who? — Beautiful Beauregarde!

I was first introduced to the album by Jay The Alaskan York at an intimate party at Jay's apartment. Several close friends had gathered to party down and party down we did!

At this particular time Jay had just returned to professional wrestling and had formed a very successful tag team partnership with Brute Bernard; and this diabolical duo had acquired Beautiful Beauregarde as their manager. Jay had retired from the mat sport for several years to pursue his musical career. He spent most of that time in Las Vegas where he eventually made an album with Robert California Arnold, Joseph JoJo Molina, Michael Green, Larry Devers, Richard Rick Killis and Don Phillips, as the musical group 500. The album 500 (Decca label 75316) features Jay singing one of his own compositions entitled 'La Brea Tar Pit Blues).

Thus, Jay and Beauregarde not only had a common interest inside the ring, but they had a common interest outside the ring as well. Oftentimes the dressing room conversations between these two concerned nothing but the musical world. These conversations, I might add, drove Brute Bernard crazy!

The album 'Beauregarde' was conceived by and is completely the 'baby' of Beautiful Beauregarde. He produced, arranged and wrote all of the music and lyrics in the album. (Side one consists of the following tracks: I GOT SOMETHING / SUPER STAR SUPER STAY / IF YOU GOT SOUL / TOMORROW, TOMORROW. Side two consists of EVERYBODY BALL / I'M TALKIN' TIME / TESTIFY / PASS AWAY / "I".

Beauregarde's singing reminds one of the lead singer of The Doors, the late Jim Morrison. Beauregarde manages to conjure up some pretty black lyrics with evil imagery of love, hate, misery, pleasure, pain, life, blood, flesh and death. The finest cuts on the album are 'TESTIFY' and 'PASS AWAY', where Beauregarde and the other musicians (lead guitar — Greg Sage, drums — Jay Lundell, bass — Dave Kopel, congo sax — Allen Robinson, organ/piano/trumpet — Omar Base) really get down and get it on!

For those of you who are fans of Beauregarde, music, or both, the album 'Beauregarde' was produced on the F-Empire label by Sound Productions, Portland, Oregon, 97217.

Beauregarde confers with special referee Mr. Wrestling before the start of his match.

Beauregarde drops to his knees as Ray Mendoza applies a painful wristlock.

## Great Wealth—Unlimited Love—Supreme Happiness—These Are The Rewards Of Good Luck! So Here Is Your Chance To Own

# The World's First and Luckiest Golden Horseshoe

**If you want the true secret of great good luck I would like to send you something that comes in a plain brown wrapper.**

No – not dirty pictures or anything like that!

But it is something that you won't want your friends, family or neighbors to know you have.

Not for a while, anyway.

Here's why:

I'm going to send you **the true secret of good luck** – guaranteed to bring you **Money, Love, Happiness** and **Joy**–and do it so fast your friends are going to think it's a miracle.

I'd like you to try my secret the very next time you want to become a winner at **Bingo, Lotteries** or **Sweepstakes** – the very next time you want **Money** – the very next time you want **Love, Happiness** and **Joy.** But please, don't tell anyone what you are doing.

That's because I'm afraid that if you tell anyone about the simple secret of good luck before you start using it, they might be able to talk you out of it. They will try to tell you that there is just no way to be so lucky all at once.

**But there is.**

And, I'm sure that if you try it privately for just two weeks – no one will ever be able to talk you out of it then.

Before I go on, I'd like to tell you that I'm not a miracle worker or a mystic of any kind.

I'm a businessman.

A short time ago, I was a businessman who was extremely unlucky. **Not anymore.**

I'm still not the richest man in the world – or the most successful in love – but finally, after years of miserable luck in everything – I feel like the luckiest man in New York.

**It's wonderful.**

For years I played Bingo, entered Contests, Lotteries and Sweepstakes – tried to find true Happiness, Love and Affection. I was a typical loser at everything.

Then, by accident, I stumbled onto **the real secret of great good luck.** The very first time I played Bingo after I discovered my secret I hit a Jackpot Bingo for $373.

I discovered the secret in a tiny antique shop in my neighborhood – a lovely combination pendant/key chain in the form of a Lucky Horseshoe. It was finished in gleaming 14k gold – and my heart practically stopped when I spotted it.

The shopkeeper told me the history of the amulet – how for hundreds of

years men and women have believed with all their hearts and souls that the golden Lucky Horseshoe **had the mystic power to bring riches beyond belief, unlimited love and affection, supreme happiness** – to all who used it.

I felt I had found the answer – the true secret of good luck – and I bought the one-of-a-kind Lucky Horseshoe for over a hundred dollars.

I started to use it at once. I started to win at Bingo consistently – to win Contests and Lotteries – to find the Happiness, Joy and Love I had been seeking for so very long.

When my friends saw that I had become **"the luckiest man in town"** they asked me to give them my secret. Since I had now found everything in life I wanted – I decided to give it to them.

I had a master jeweler create five exact copies of my golden Lucky Horseshoe – three as key chains with proper attachments for keys – two as pendants – complete with matching golden chains. I gave them as gifts to my five closest friends.

It worked for them, too!

Now, you and I both know that there's a great deal of money to be made for the person who comes up with **the true secret of good luck – a secret that really works. I am certain that I have done just that.**

But, was the astounding good fortune brought to me and my friends a fluke? Perhaps there was something "special" about us that made the golden Lucky Horseshoe so very powerful. I don't believe that for a moment.

However, I MUST PROVE IT!

For, once I prove that my golden Lucky Horseshoe works – really works – I will offer it to all men and women who want and need great good luck – for $15 – and it will be worth every penny of it. (How many times have you said to yourself that you'd pay a fortune for something that really works?)

So, to prove that my golden Lucky Horseshoe works for ALL men and women – I'll send you either the pendant or the key chain for little more than the cost of making it up.

Remember, I'm willing to do this for my own selfish reason. **Once YOU have become a Winner – once YOU find all the Money you need – once YOU have all the Love, Joy, Happiness and Affection you want** – I'll probably make a mint when I offer the PROVEN amulet to the general public.

But, you must make me a promise. You must let me know your good luck results. This will be the proof I need!

I feel certain that it makes **no difference** whether you are a man or a woman (it works for both) – **no difference** if you are young or old – and even if you have until today always considered yourself unlucky – **your golden Lucky Horseshoe MUST work for you or it won't cost you a single penny.**

**You are GUARANTEED good luck, or your money back – without quibble or question.**

And, although your golden Lucky Horseshoe pendant or key chain is GUARANTEED to bring you the best things in life almost at once – the cost to you is just $7 – that's right – just $7.

Let me repeat. It makes absolutely no difference how many ways you've tried and failed to attract great good luck in the past – your lucky day has finally arrived.

**Send for your guaranteed golden Lucky Horseshoe as soon as you can –TODAY if at all possible!**

**Make check payable and mail to:**

# THE NEW ZEALAND WRESTLING SCENE

by DAVE CAMERON

A trio who have proven very popular with wrestling fans in New Zealand (left to right) are Don Muraco, Mark Lewin and Rick Martell.

Wrestling in New Zealand is at its greatest ever peak with the American boys drawing packed houses at every appearance.

King Curtis, the giant Hawaiian mat star, would have to be our greatest ever drawing card. Curtis has had feuds with Don Muraco, Rick Martell and his one-time partner Mark Lewin but usually manages to come out on top.

Japan's Giant Baba was flown over especially to tame Curtis and he succeeded in a bloodbath match at Auckland. However, the Giant was only able to stay for four days as he also had commitments in Australian rings.

The current sensation here is young Montreal mat star Rick Martell. The good-looking, young star is idolized by the fair sex, children and all wrestling fans. He has really taken the country by storm and the young flyer is proving a real box-office attraction.

Rick teams up with Mark Lewin in tag-team matches and what a combination they make — one of the finest in the world.

King Curtis has had several tag-team partners here. His regular partner is the Scottish star Robert Bruce, who is one of the biggest men in wrestling. Currently teaming with Curtis is the sensational Mongolian with the dreaded rack hold, Eto The Mongol.

Fuji, who also teamed up with Curtis, has left the New Zealand scene after a short stay.

Don Muraco has now switched his base of operations to Australia after spending two successful years here. He is a very fine wrestler and great drawing card.

Bugsy McGraw flew in for one night only en route to Australia but should be back shortly.

Dory Funk Jr., also made a one-night stand on his way to Japan, but his bout with New Zealand's own star John DaSilva was worth going miles to see. It was one of the most scientific displays of wrestling ever seen here.

DaSilva managed to snatch the victory when Funk's suplex went astray and DaSilva reversed the pin

# HOW TO COMMAND POTENCY

**at will . . . with a series of simple mental and physical exercises, that take only minutes a day, BUT THAT MAKE YOU "ALL MAN" TO YOUR WOMAN ANYTIME YOU CHOOSE TO DELIGHT HER!**

As easily and automatically as this . . .

**Let us repeat this simple promise: A Method for Commanding FULL EROTIC POTENCY has now been discovered! And you may now learn it, in the privacy of your own home, without risking a penny!**

How is this done? In these two scientifically-proven ways:

First, by gaining at last **masterful control over the "switch" that connects your brain to your sex organs!** So that you tap, at will, your buried love power! Replace sexual insecurity with total self-confidence! Gain instant arousal . . . become every inch the lover Nature meant you to be . . . **actually find yourself performing better in bed than you can possibly remember from the very best era of your youth!**

And — equally as important —

**By deliberately strengthening those "forgotten muscles" that are used only in the act of love, and therefore grow almost useless in the average man after he leaves his twenties!** And taking those hidden "support" muscles, and building in a few minutes every day such rock-hard strength into them that you will achieve at last complete mastery of your own virility . . . **shown most dramatically in your new-found ability to maintain "staying power" for "unbelievably" long periods of time!**

**Does it really work? Can such a sexual transformation be achieved in such a short time? Read the DOCUMENTED CASE HISTORIES in this book, and see every shadow of a doubt vanish from your mind!**

For example:

**Read** why 60 and 70-year-olds, who had given themselves up as far as the bedroom was ever concerned again, **have suddenly found themselves MORE sexually-active . . . MORE sexually-alive . . . MORE sexually-competent than they were at their 30 or 40-year-old peak!**

**Read** how one young man went through his first twenty-some years thinking continually that he was "born to be" a "sexual cripple". And then read how — only a few short months later — one of his girl friends said in a research-interview: **"Once a woman has been with a man like Eric, all other men seem second-rate"!**

**Read** of the 70-plus year-old man who now keeps **several** girl friends busy . . . **including one 23-year-old beauty who is perfectly willing to admit to anyone that THIS man is (to use her own words) "terrific" in bed!**

**And then go on to duplicate these men's transformations with your own! And build a massive virility into your own body with ingenious "training devices" like these . . .**

The first step: The simple **"Potency-Restoring Ritual"** that costs nothing . . . is completely private . . . gives extreme pleasure while you use it . . . and may have your woman gasping in surprise that very same evening!

What to do about "sexual hang-ups"! How to "De-Block your Turn-On Channels" — **in minutes!**

**How to take your "Ecstasy Nerves" out of deep-freeze!** In other words, FEEL two, three and four times as much pure sensation from every minute of love . . . **at exactly the same time that you have rigid control over every reflex in your body, so you can CONTINUE that sensation as long as YOU wish to continue it!**

The safest, and easiest, way to **prevent** prostate trouble.

How to keep the **Youth Juices** flowing in your body! In other words, use these simple exercises, not only to make you a master in bed, but **also to "Re-Landscape" your face and body so you may have to reject more offers than you accept!**

**Sexual Breathing!** Known by the Yogas, but almost completely forgotten in our day! (One of its many uses — to remove, for good, the false limitation that keeps you now from making brilliant love **for hours** . . . or, if you so choose, **all night!**)

**Super Circulation!** Perhaps the most startling technique of all! How, in essence, to "re-direct" massive blood flow to ANY part of your body, and **therefore achieve a solidity and expansion that you may not have dreamed possible before!**

**But this is still not all! Now this amazing volume goes on to give you ALMOST-HYPNOTIC POWER OVER WOMEN, from the very first moment you meet!**

But mastery of your own body is incomplete unless it is combined with mastery of the other person's body (and emotions) as well! So now you are given the final step: How to demand **more** . . . and **more** . . . and **more** from your woman, **and make her love every step!**

For example:

What women prize in a lover most . . . what they expect . . . what they fear . . . what turns them on and drives them wild . . . what non-bed actions allow them to trust you completely in bed! **All gathered for you, in condensed form, from "shameless" interviews with hundreds of women all over America!**

How to thaw out the lady who wears a "psychological chastity belt"! Snap her out of her "sexual shock" for perhaps the first time in her adult life! **Turn her on completely, so she'll do with you what she'd never think of doing with anyone else!**

How to spot the **highly-sexed** woman, before you even begin talking to her! (No, she is NOT promiscuous! She **saves** her abandon for special man. But, once you convince her, this way, that **you're** that man, **then get ready for the greatest night of your life . . . for openers!)**

How to let a woman know, without offending her in any way, that **you** will thrill her in bed, **within five minutes after you meet her.**

How to prepare a woman for **unbridled** love! (For example, on page 234 you will find a new method of **kissing** that may actually send her into spasms of ecstasy **before** you lay a finger on her body! **And wait till you read the pages after that!)**

**So what you have here is a revolutionary new handbook, not only to massive sexual potency, but to complete mastery in bed! And it's yours to read from cover to cover, entirely at our risk!**

Why not send for it, with the No-Risk Coupon, today. Your full money back, of course, if you are not delighted.

**Can a woman teach men Super-Potency? The answer is an overwhelming YES!**

Take a renowned teacher of "Psycho-Control" (the power of the mind, if properly trained, to completely master the vital functions of the body). Give her twenty-plus years of success in teaching both men and women to lose weight **at will** . . . break the cigarette habit **at will** . . . snap out of allergies **at will.** And then let her direct those same mind-over-body discoveries to the most important "If-I-could-only-command-it" area of all!

**What happens? Breakthroughs** — documented again and again and again — **for men of all ages, and all problems, gaining new-born virility they couldn't have believed possible only a few short weeks before!**

Read these thrilling case histories yourself in Rachael Copelan's revolutionary new book — and read them entirely at our risk! And then take the exact same Potency Techniques that she is teaching for up to $100 a week in her nationally-famous Sex Clinic in New York City . . . **and use them to transform YOUR sex life — today — entirely at our risk!**

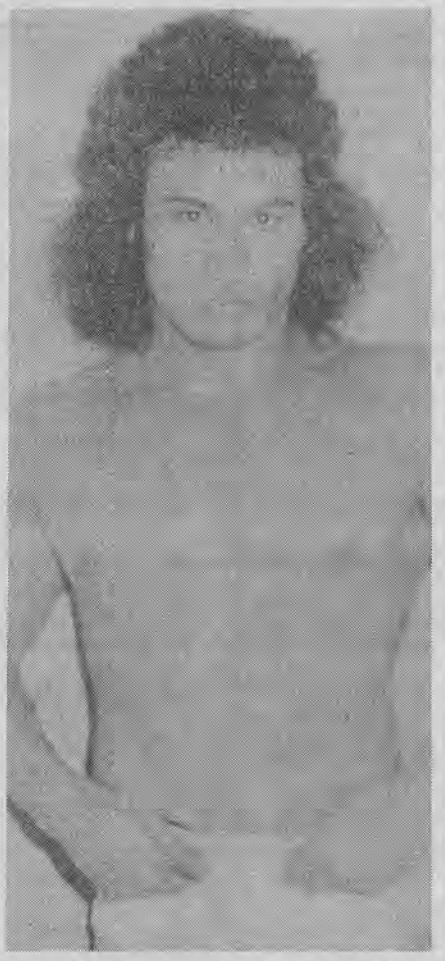
A villain who is making his mark on the New Zealand scene is the black-hooded Dr. Death.



Siva Afi Taogaga has replaced Prince Maivia as the king of the South Pacific grapplers.

position.

The DaSilva-Funk match was truly a classic and compares favorably to the great match between Earl McCready and Ed Don George in New Zealand in 1936. McCready hit his head and Ed Don George was awarded the victory in a match which attracted a crowd of 13,000 paid and is still talked about today.

Pat Barrett, who used to live in New Zealand, has returned to these shores and is looking in great shape after his American tour.

New Zealand wrestlers are showing much improved form after meeting top-class opposition from the United States and Canada.

Young Red Wolf, who, at 21, is our youngest professional wrestler, is currently competing in a major tournament in Japan.

Del Adams and Cowboy Wright are currently displaying their wrestling wares in Australian rings.

On the home front, Johnny Garcia has been doing well as has Barry Drage, who appears headed for the top.

Jock Ruddock, the box of tricks from Forfar, Scotland, remains our most brilliant junior heavyweight. A sensational mover in the ring, this boy is the master of every hold in the book.

Samoan Joe, Fresh from a tour of Singapore, would be our most improved mat man. He is fast developing into a topliner.

**Because the small engine industry has grown so quickly, an acute shortage of qualified Small Engine Professionals exists throughout the country. In fact, it's not unusual for a good small engine man to be three to four weeks behind in the summer and at least a week behind in the winter. When you see how many small engines are in use today, it's easy to understand why qualified men command such high prices—as much as $17.50 for a simple tune-up that takes less than an hour!**

## 46-million small engines are in service today!

That's right—there are over forty-six million 2-cycle and 4-cycle small engines in service across the U.S.A. That's the official count from the Engine Service Assn., and new engines are being built at a rate of one-million per month! With fully accredited and approved Belsaw training, you can soon have the skill and knowledge to make top money servicing these engines. Homeowners and businessmen will seek you out and pay you well to service and repair their lawnmowers, tillers, edgers, power rakes, garden tractors, chain saws, mini-bikes, go-carts, snowmobiles, generators, snowblowers, paint sprayers... the list is almost endless.
